Amsterdam Ian McEwan, 2010-07-20 BOOKER PRIZE WINNER NATIONAL BESTSELLER A sharp contemporary morality tale cleverly disguised as a comic novel Amsterdam is a dark tour de force perfectly fashioned The New York Times from the bestselling author of Atonement On a chilly February day two old friends meet in the throng outside a crematorium to pay their last respects to Molly Lane Both Clive Linley and Vernon Halliday had been Molly's lovers in the days before they reached their current eminence Clive as Britain's most successful modern composer Vernon as editor of the broadsheet The Judge But gorgeous feisty Molly had other lovers too notably Julian Garmony the Foreign Secretary a notorious right winger poised to be the next prime minister What happens in the aftermath of her funeral has a profound and shocking effect on all her lovers lives and erupts in the most purely enjoyable fiction Ian McEwan has ever written Family and Relationships in

Ian McEwan's Fiction Tomasz Dobrogoszcz, 2018-02-23 The book provides a lucid analysis of all Ian McEwan fiction published to date from his 1975 debut short stories up to the 2016 novel Nutshell spanning forty years of his literary career Apart from a general discussion of McEwan's works the study offers a uniform focal point it concentrates on one of the key issues taken up by the writer the aspect of relationships between partners and between family members As the book demonstrates the novelist employs interpersonal relations to establish a pertinent context in which he can dramatically portray the process of identity formation in his characters Throughout his fiction McEwan consistently uses references to psychoanalysis either veiled or direct The proposed book investigates the novelist's oeuvre through the lens of the psychoanalytic theory developed by Jacques Lacan The approach used makes the book useful both for readers well familiar with this apparatus and for those who need introduction to Lacanian psychoanalysis and such of his concepts as desire fantasy the symbolic order or the Name of the Father Amsterdam Ian McEwan, 2001 Alle haben sie dieselbe Frau geliebt die nun nicht mehr ist ein Politiker ein Chefredakteur ein Komponist Als desto gegensätzlicher erweisen sich ihre Ambitionen Ein Freundschaftspakt wird zum Teufelspakt als es in Amsterdam zum Showdown kommt Ian McEwan erhielt 1998 den Booker Preis für diese ebenso witzige wie gnadenlose Geschichte über die Mechanismen der Medien und der Macht

Amsterdam by Ian McEwan Diana Russell, 2006 Waiting for the End Earl G. Ingersoll, 2007 Waiting for the End examines two dozen contemporary novels within the context of a half century of theorizing about the function of ending in narrative That theorizing about ending generated a powerful dynamic a quarter century ago with the advent of feminist criticism of masculinist readings of the role played by ending in fiction Feminists such as Theresa de Lauretis in 1984 and more famously Susan Winnett in her 1991 PMLA essay Coming Unstrung were leading voices in a swelling chorus of theorists pointing out the masculinist bias of ending in narrative With the entry of feminist readings of ending it became inevitable that criticism of fiction would become gendered through the recognition of difference transcending a simple binary of female male to establish a spectrum of masculine to feminine endings regardless of the sex of the writer Accordingly Waiting for the End

examines pairs of novels one pair by Margaret Atwood and one by Ian McEwan to demonstrate how a writer can offer endings at either end of the gender spectrum

(Im)politeness in McEwan's Fiction Urszula Kizelbach, 2023-02-22 This book is a pragma stylistic study of Ian McEwan's fiction providing a qualitative analysis of his selected novels using im politeness theory Im politeness is investigated on two levels of analysis the level of the plot and the story world intradiegetic level and the level of the communication between the implied author and implied reader in fiction extradiegetic level The pragmatic theory of im politeness serves the aim of internal characterisation and helps readers to better understand and explain the characters motivations and actions based on the stylistic analysis of their speech and thoughts and point of view More importantly the book introduces the notion of the impoliteness of the literary fiction a state of affairs where the implied author or narrator expresses their impolite beliefs to the reader through the text which has face threatening consequences for the audience e.g moral shock or disgust dissociation from the protagonist feeling hurt or put out Extradiegetic impoliteness one of the key characteristics of McEwan's fiction offers an alternative to the literary concept of a secret communion of the author and reader Booth 1961 describing an ideal connection or good rapport between these two participants of fictional communication This book aims to unite literary scholars and linguists in the debate on the benefits of combining pragmatics and stylistics in literary analysis and it will be of interest to a wide audience in both fields

The Booker Prize and the Legacy of Empire Luke Strongman, 2002 This book is about the Booker Prize the London based literary award made annually to the best novel written in English by a writer from one of those countries belonging to or formerly part of the British Commonwealth The approach to the Prize is thematically historical and spans the award period to 1999 The novels that have won or shared the Prize in this period are examined within a theoretical framework mapping the literary terrain of the fiction Individual chapters explore themes that occur within the larger narrative formed by this body of novels collectively invoked cultures social trends and movements spanning the stages of imperial heyday and decline as perceived over the past three decades Individually and collectively the novels mirror often in terms of more than a single static image British imperial culture after empire contesting and reinterpreting perceptions of the historical moment of the British Empire and its legacy in contemporary culture The body of Booker novels narrates the demise of empire and the emergence of different cultural formations in its aftermath The novels are grouped for discussion according to the way in which they deal with aspects of the transition from empire to a post imperial culture from early imperial expansion through colonization retrenchment decolonization and postcolonial pessimism to the emergence of tribal nationalisms and post imperial nation states The focus throughout is primarily literary and contingently cultural

Radical Planes? 9/11 and Patterns of Continuity, 2016-09-07 Radical Planes 9 11 and Patterns of Continuity edited by Dunja M Mohr and Birgit D wes explores the intersections between narrative disruption and continuity in post 9 11 narratives from an interdisciplinary transnational perspective foregrounding the transatlantic cultural memory of 9 11 Contesting the earlier notion of a cataclysm that has

changed everything and critically reflecting on American exceptionalism the collection offers an inquiry into what has gone unchanged in terms of pre 9 11 post 9 11 and post post 9 11 issues and what silences persist How do literature and performative and visual arts negotiate this precarious balance of a pervasive discourse of change and emerging patterns of political ideological and cultural continuity

Vernon Halliday and the Judge: Editorship and Newspaper Power in Ian McEwan's "Amsterdam" Ralf Käck, 2002-11-11 Seminar paper from the year 1999 in the subject English Language and Literature Studies Literature grade 1 A University of Kassel FB 8 Anglistics language English abstract Ian McEwan's ability to present his settings and themes in detail has been already noticed In his novel Amsterdam he excellently describes for example the Lake District when Clive Linley hikes to find inspiration or the composing process when Clive tries to write the perfect ending for his symphony But these are not the only passages where he uses his knowledge of perfectly drawing the reader into a certain theme He also shows in this novel that he has deep insight into the

media and especially in how modern newspapers are made Media and especially the newspaper is one of Ian McEwan's main themes in *Amsterdam* Besides Vernon Halliday who as the editor of the British national daily *The Judge* is the character the most involved in the printing press also George Lane and McEwan's secret main character Molly Lane are linked with the media George owns a small part of the *Judge* and therefore is one of the proprietors to whom Vernon is responsible Molly was part of the media establishment as well She worked as critic for a magazine and later married George I will show in this paper that McEwan succeeded in portraying his character Vernon Halliday in a way that strongly resembles an editor of a national daily newspaper in Great Britain today He even managed to hint at changes that happened during the last decades in how editorship is characterized by using George Lane as old-fashioned proprietor to counterbalance the modern editorship of the *Judge* It will also become obvious how comprehensive McEwan's knowledge of the relationship between the media and politics is and how he weaved this aspect into the novel Furthermore I will point out that Ian McEwan portrays the *Judge* throughout his novel as a quality paper on its way to become a downmarket tabloid By doing this the author again achieves to establish a direct link to current criticism of British national newspapers
