Analyzing Oppression:

Analyzing Oppression Ann E. Cudd, 2006 This text presents an integrated theory of social oppression which tackles the fundamental question if there is no natural hierarchy among humans why are some cases of oppression so persistent It argues that the explanation lies in the coercive co-opting of the oppressed to join in their own oppression **Analyzing Oppression** Ann E. Cudd, 2006-04-27 This text presents an integrated theory of social oppression which tackles the fundamental question if there is no natural hierarchy among humans why are some cases of oppression so persistent It argues that the explanation lies in the coercive co-opting of the oppressed to join in their own oppression *Socially Undocumented* Amy Reed-Sandoval, 2020 What does it really mean to be undocumented particularly in the contemporary United States Political philosophers immigration policy makers and others have tended to define the term undocumented migrant legalistically that is in terms of lacking legal authorization to live and work in one's current country of residence In *Socially Undocumented* Reed Sandoval challenges this legalistic understanding by arguing that being socially undocumented is to possess a real visible and embodied social identity that does not always track one's legal status She further argues that achieving immigration justice in the U S and elsewhere requires a philosophical understanding of the racialized class based and gendered components of socially undocumented identity and oppression *Socially Undocumented* offers a new vision of immigration justice by integrating a descriptive and phenomenological account of socially undocumented identity with a normative and political account of how the oppression with which it is associated ought to be dealt with as a matter of social justice It also addresses concrete ethical challenges such as the question of whether open borders are morally required the militarization of the Mexico U S border the perilous journey that many migrants undertake to get to the United States the difficult experiences of the women who cross U S borders seeking prenatal care while pregnant and more [Men's Rights, Gender, and Social Media](#) Christa Hodapp, 2017-09-05 This work examines the contemporary men's rights movement MRM a mainly online movement that claims men are oppressed by gender norms women and feminism While some feminists and other progressives have dismissed the movement as simple misogyny this book argues that the MRM expresses a growing cultural trend in male anger and frustration and is an extreme manifestation of what has been previously referred to as a masculinity crisis In order to assess the implications of the MRM for gender politics this book explores the movement politically investigating the ways in which online communication and media outlets have impacted contemporary meanings of identity gender language and political engagement Furthermore a discussion of various issues promoted by the MRM such as parenting divorce employment and violence provide deeper insights into the issues surrounding masculinity and gender politics in current sociopolitical contexts [Sexual Deceit](#) Kelby Harrison, 2013-03-14 *Sexual Deceit* is an extended ethical analysis of the phenomenon of sexual identity passing i.e. socially presenting as X when one understands oneself as Y where the variables represent any contemporary sexual identity alongside identity passing in the contexts of race gender and briefly

religion and class The analysis of passing utilizes and challenges traditional moral understandings of identity falsification complicating our understandings of moral obligations under systemic oppression Tracing the intervention of social construction theory on contemporary political understandings of LGBT communities and activism Sexual Deceit argues against social construction models of identity notably performativity promulgated by the work of Judith Butler and consumed and repeated by many scholars and theory educated queer people A new model of identity is constructed based on a phenomenological concept of style that provides for a socially adjustable yet rooted notion of sexual identity The ethical implications of sexual identity passing are considered in the context of eschatological images of social justice and within practical matters such as military service leadership and sexual harassment law

Black Rights/white Wrongs Charles Wade Mills,2017 Liberalism is the political philosophy of equal persons yet liberalism has denied equality to those it saw as black sub persons In Black Rights White Wrongs The Critique of Racial Liberalism political philosopher Charles Mills challenges mainstream accounts that ignore this history and its current legacy in the United States today

Repression, Integrity and Practical Reasoning G. Jaeger,2012-06-19 Repression receives little attention in philosophical literature This study of cases of repression that inhibit an agent s deliberative access to his reasons argues that an agent cannot correctly deliberate about a reason to overcome repression as if he did so he would already have overcome repression and so would have no reason to do so

Social Theory and Practice ,2021 Research as Resistance Leslie Allison Brown,Susan Strega,2005 This book brings together the theory and practice of anti oppressive approaches to social science research It is a work that will have a place in the classroom as well as on the desks of researchers in agencies governments and private consulting practice The first section of the book is devoted to the ontological and epistemological considerations involved in such research including theorizing the self of the researcher The second section of the book offers exemplars across a range of methodologies including institutional ethnography narrative autobiography storytelling and Indigenous research and participatory action research This is a unique text in that it describes both theoretical foundations and practical applications and because all of the featured researchers occupy marginalized locations It is also firmly anchored in the Canadian context

The Limits of 'autonomy' for Feminist Theory Sonya Marie Charles,2006 "We Specialize in the Wholly Impossible" Darlene Clark Hine,Wilma King,Linda Reed,1995 Here in a single volume is a sweeping panorama of black women s experience throughout history and across classes and continents The book is divided into six sections theory Africa the Caribbean and Canada 18th century United States 19th century United States and 20th century United States A remarkably diverse range of topics is covered with chapters on subjects such as working class consciousness among Afro American women the impact of slavery on family structure black women missionaries in South Africa slavery sharecropping and sexual inequality black women during the American Revolution imprisoned black women in the American West women s welfare activism SNCC and black women s activism and property owning free African American women in the 19th century

South Containing over 30 crucial essays by the most influential and prominent scholars in the field including Evelyn Brooks Higginbotham Linda Gordon and Nell Irvin Painter *We Specialize in the Wholly Impossible* is a comprehensive assessment of black women s lives BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Breakthrough, 1977 **Liberation Ethics** Thomas Louis Schubeck,1993 Long needed Thomas Schubeck sis the first comprehensive assessment of the ethical import of this generation s most influential theological movement Based on in depth interviews with key liberation theologians as well as comprehensive research Schubeck offers a critical yet sympathetic evaluation of liberation theology s normative content by looking at how liberation theologians actually use their foundational sources praxis social analysis and Scripture After narrating its grassroots origins Schubeck gauges the comprehensiveness and coherence of the work of a dozen theologians including Gustavo Guti rrez Juan Segundo Jon Sobrino and the late Ignacio Ellacur a Jos M guez Bonino and others He reveals liberation theology s surprising diversity and its power to illumine method and such issues as poverty and power economic and political systems theory and practice violence national security and land reform No task is more important or more urgent than understanding how religious reflection can best engender social and global justice and Schbeck s sustained analysis sets the terms His constructive critique may well prove a turning point in the assessment by both theologians and ethicists of the cogency and future of liberation theology *Eros and Evil in Iris Murdoch's Spiritual Vision* Kathleen Mary Tierney,2007 [The Multicultural Education Directory](#) David E. Washburn,Neil L. Brown,1996 **Teachers' Implicit Theories of Multicultural Classrooms** Francisco Alfonso Rios,1991 **Making Choices for Multicultural Education** Christine E. Sleeter,Carl A. Grant,1994 This leading text examines the meaning of multicultural education from historical and conceptual perspectives It provides a thorough analysis of the theory and practice of five major approaches to dealing with race language social class gender disability and sexual orientation in today s classrooms [Race, Class, and Colony](#) Jon Heaton,1996 *Choice*,2008 [Africana Studies](#) Delores P. Aldridge,E. Lincoln James,2007 Twenty seven essays previously published in the *Western Journal of Black Studies* challenge assumptions misconceptions and negative stereotypes within academic fields and portray the strength resilience and diversity of African and African American peoples
