**Reclaiming the Commons for the Common Good** Heather Menzies, 2014-04-28 Commoning was a way of life for most of our ancestors In *Reclaiming the Commons for the Common Good* author Heather Menzies journeys to her roots in the Scottish Highlands where her family lived in direct relation with the land since before recorded time Beginning with an intimate account of unearthing the heritage of the commons and the real tragedy of its loss Menzies offers a detailed description of the self organizing self governing and self informing principles of this nearly forgotten way of life including its spiritual practices and traditions She then identifies pivotal commons practices that could be usefully revived today A final manifesto section pulls these facets together into a unified vision for reclaiming the commons drawing a number of current popular initiatives into the commoning frame such as local food security permaculture and the Occupy Movement An engaging memoir of personal and political discovery *Reclaiming the Commons for the Common Good* combines moving reflections on our common heritage with a contemporary call to action

individually and collectively locally and globally Readers will be inspired by the book's vision of reviving the commons ethos of empathy and mutual respect and energized by her practical suggestions for connection people and place for the common good Heather Menzies is an award winning writer and scholar and member of the Order of Canada She is the author of nine books including *Whose Brave New World* and *No Time* [Everything on \(the\) Line](#) Sophia Reuss, Christina Turner, 2021-04-18 On a chilly April day in 2001 some 75 000 protesters flooded the streets of Quebec City to denounce corporate globalization and a neoliberal trade deal From that wellspring of activist anger energy and hope came the founding of rabble.ca an alternative news source and community space that reported on Canadian politics from the ground catching the attention of journalists and activists across the country Since then Canada has seen the rise of Harper Conservatism and its replacement by a Liberal government a decline in union power the stalled beginnings of reconciliation with Indigenous nations the birth of Black Lives Matter an invigorated climate justice movement and more These stories of activist struggle lie at the heart of *Everything on the Line* a collection of rabble's most incisive articles from the past twenty years Editors S Reuss and Christina Turner guide readers deftly through rabble's deep and storied archives combining critical analysis with new essays from celebrated activists and writers such as Russell Diabo Nora Loreto Phillip Dwight Morgan and Monia Mazigh Each vital selection marks a flashpoint in Canadian politics and an opportunity to reflect on the social movements that have challenged capitalism racism settler colonialism and patriarchy over the past two decades *Crisis and Contagion* Ian McKay, 2023-10-17 *Crisis and Contagion* is a selection of fourteen interviews conducted by Ian McKay of the Wilson Institute at McMaster University Interviews with Nancy Fraser Mike Davis Mack Penner Andreas Malm and Merrill Singer explore capitalism's organic crisis and the ways it has made this and future pandemics inevitable Nora Loreto Tithi Bhattacharya Chandrima Chakraborty Merlin Chowkwanyun and Sanjay Nepal discuss the experiences of ordinary people in the pandemic J Michael Ryan Laura Spinney Naomi Klein and Noam Chomsky explore the long term effects and likely historical legacy of a pandemic that has changed millions of lives and maybe the trajectory of human civilization These scholars propose that to understand the impact of Covid 19 we have to understand the conflictual history of capitalism and to ward off future pandemics we need to start building a post capitalist alternative to the disease generating and highly unequal global neoliberal order As capitalist forces work to shove what we have learned from the Covid 19 pandemic down the memory hole *Crisis and Contagion* offers a must read for those wanting to seize this moment of change and revolution [Sticky, Sexy, Sad](#) Treena Orchard, 2024-03-01 Lifelong luddite Treena Orchard was a newly sober woman coming off a much needed break from relationships reluctantly taking the digital plunge by downloading a dating app Instead of the fun easy experiences advertised on swiping platforms she discovered endless upkeep ghosting fleeting moments of sexual connection and a steady flow of misogyny In *Sticky Sexy Sad* Orchard uses her skills as both an anthropologist who studies sexuality and a sex positive feminist to explore what it feels like to want love while also resisting the addictive pull of

platforms designed to make us swipe dependent She asks important questions for those searching for love in the modern era What are the social and human impacts of using dating apps How can we maintain our integrity and warm blooded desire for intimacy while swiping Can we resist some of the problematic aspects of swipe culture Is love on dating apps even possible Revealing how dating apps are powerful social and sexual technologies that are radically transforming sexuality relationships and how we think about ourselves this remarkable book cracks the code of modern romance Told with humor and vulnerability *Sticky Sexy Sad* is a riveting and inspiring guide to staying true to ourselves amid the digitization of love in the twenty first century

Extraer justicia Kuyek, Joan,2020-11-27 El modelo extractivo minero en Am rica Latina se puede considerar como el de mayor impacto en las afectaciones ambientales y en los derechos humanos y colectivos de los pueblos Es la expresi n m s violenta que conocemos sobre los pueblos y la naturaleza La disputa entre las comunidades rurales los pueblos originarios y las grandes campas mineras se convierte en una lucha encarnizada ba ada de violencia y ambici n Sin embargo poco conocemos sobre la situaci n de la actividad minera en Canad Joan Kuyek desnuda las experiencias de despojo y destrucci n ambiental que viven los pueblos originarios y otros sectores de la sociedad canadiense Descubrimos que tambi n hay pueblos en resistencia y una sociedad movilizad a frente a las consecuencias sociales y ambientales que genera la extracci n de minerales en el norte desarrollado Tal como nos pasa en el Sur en Canad se ha tenido que enfrentar con un sistema colonial y de impunidad en el que las empresas mineras ejercen mucha influencia sobre los gobernantes Joan Kuyek nos ayuda a entender que el modelo extractivo minero tiene fronteras donde que sus formas de operar y afectar el medioambiente y los territorios son muy similares

Embedded with Organized Labor Steve Early,2009-07 Collected for the first time the essays that comprise *Embedded With Organized Labor* present a unique and informed perspective on the class war at home from a longtime organizer and participatory labor journalist Steve Early tackles the most pressing issues facing unions today and describes how workers have organized successfully on the job and in the community in the face of employer opposition now and in the past This wide ranging collection deals with the dilemmas of union radicalism the obstacles to institutional change within organized labor and strategies for securing workers rights in the new global economy It also addresses questions hotly debated among union activists and friends of labor including workers rights as human rights new forms of worker organization such as worker centers union democracy cross border solidarity race gender and ethnic divisions in the working class and the lessons of labor history

**New Labor Forum** ,1997 **The Future of Labor Unions** Julius G. Getman,F. Ray Marshall,2004 **De la diabolisation à l'organisation** Nora Loreto,2015 *Daily Report* ,1995-10-26 **American Labor Turns a New Page** ,1935 **The New York Times Index** ,2007 **Labor Pains** Suzan Erem,2001-10 *Labor Pains* is an insider s account of the struggle to rebuild a vibrant and powerful trade union movement in the United States It takes as its starting point the daily experience of a union organizer and brings that experience to life It enables us to grasp how the conflicting demands of race class and gender are lived in the new union movement The role of

the unions is defined mainly by larger economic and political agendas While keeping these agendas clearly in sight Erem focuses primarily on aspects of the life of the union which often remain hidden The personal crises of union members become entangled in the work of the union The energies of the union are focused not only on winning gains from bosses but also on maintaining internal cohesion and morale among workers Barriers of race age and gender are constantly negotiated and overcome and conflicts flare up across them at moments of tension And union life goes on not only when the workers have made their point or won a victory but after defeat as well The personalities and ambitions of union organizers converge at times and become a source of tension at others Each individual within the larger collective has their own task of finding a viable balance between public and private selves These intersecting lines of force are imaginatively recreated in this book Erem writes as a woman in a union movement which is dominated by men as the child of immigrants in a movement whose members are increasingly immigrants themselves as one who finds herself in the racial no man s land between black and white While never underestimating the obstacles in the way of the union movement she makes a powerful and passionate case for organizing the disorganized and empowering the powerless

**NACLA Report on the Americas** ,2001

Solidarity Divided Bill Fletcher,Fernando Gapasin,2008-06-23 Anyone concerned with the struggles of America s working people is going to be fascinated by this rare insiders look at the external forces and internal fumbblings that have so drastically weakened the labor movement Both in its sweeping analysis and priceless reportage Solidarity Divided is a deeply illuminating book and a solid argument for why our unions need to reclaim their historic heritage as a militant grassroots movement Barbara Ehrenreich author of Nickel and Dimed Bill Fletcher and Fernando Gapasin have put together a hard hitting analysis of the crisis facing organized labor But this is not just something for people involved in unions If we are to build a movement for social justice then we must confront the issues that they are raising Danny Glover This is an extraordinarily important and provocative reflection on the limitations of self reform and reinvention within the American labor movement The authors provide readers with a unique first hand view of internal debates personalities and decision making processes but also use their intimate knowledge of union culture and carefully narrated case studies to transcend mere stone throwing This book is unlikely to be matched by any other journalistic account or memoir A landmark in all debates about what next for labor Mike Davis author of Prisoners of the American Dream There are few writers and activists whom I would rather read on the recent past the present and the future of the labor movement than Fernando Gapasin and William Fletcher This is an especially accessible and balanced exploration of recent efforts at community unionism international solidarity coalition with nonunion workers and empowerment of immigrants Above all this is far and away the best argument for the importance of central labor unions that I have read David R Roediger author of Working Toward Whiteness This is a very valuable work well written and useful

to union activists and students of working class life and history alike Fletcher and Gapsin have performed a public service of high quality by bringing into the national conversation an enlightened focus on labor and its relation to other sectors of the population seeking to reinvigorate and enlarge our democracy This book is a star to steer by as we move through troubled waters in a dark time confident that in our substantive unity of purpose we can and shall overcome Jack O Dell former associate editor Freedomways magazine     Labor Standard ,1999     **Heterodoxy** ,1992
