In the book, Hal goes into his findings from studying the most successful people's morning routines. He takes note of six different activities many of them do and calls them SAVERS. Many successful people practice at least four of six of these activities, but rarely do all six. So what happens if you do all six? That's for you to find out. Drink a glass of cold water, then Silence, Meditation, Affirmation, Visualizations, Exercise, Reading. *The Miracle Morning Routine Journal* 1. Silence Meditation 10 Minutes. calm focus and concentration throughout the day There are also many phone Apps that can help you get started so don t wait

2 Journaling Part 1 5 Minutes This is made up of two parts Write down three things that you are grateful for today and 3 goals for the day These don t have to be big elaborate things They can be small and simple Also keep the goals just to the day
