Take Back Your Privacy David Haywood Young, 2016-01-20 Curious about surveillance Wondering about the security of your computer or phone These are just a couple of starting points The author with decades of experience in the field takes us on a journey through the digital landscape Exhaustively researched with hundreds of links it s nevertheless written in an informal and entertaining style Do you know the difference between a web browser and the internet That s about all you ll need to start When you re done with this book you ll know more than most IT information technology professionals do about digital security You ll be able to analyze the claims made by tech bloggers and those who flog their own products You ll know much much more about the risks to your privacy and anonymity and why they re both so important in today s fast moving world Then at the end the author tells how he once went to jail for trying to help protect thousands of college students including himself It s a chilling reminder of just how easily spin can replace substance And yet it s a funny story Come on in and give this book a try You ll be glad you did

**What makes Netflix's Bodyguard so successful? An intimate viewing**

Mela Z., 2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0 University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching Netflix s Bodyguard simply didn t fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life
