How To Write Amazing Cover Letters The Hyperink Team, 2012-02-12 ABOUT THE BOOK If a resume is a window into your past work experience a cover letter is the tool you use to install it Cover letters were once just an after thought something most people used to simply regurgitate their resumes In fact it wasn't until the last decade that cover letters gained wide acceptance and importance Today not only is the cover letter just as important as a resume it can be the deciding factor in whether a hiring manager looks at your resume or throws it in the trash But how do you write the kind of amazing cover letter that will get you in the door How can you create a narrative of your professional experience that makes the HR person sit up and take notice The key is knowing how to present yourself It does not matter if you've spent 30 years in the work force or are just entering it the fact remains that you need to learn to how convince someone else to interview you MEET THE AUTHOR The Hyperink Team works hard to bring you high quality engaging fun content If ever you have any questions about our products or suggestions for how we can make them better please don't hesitate to contact us Happy reading EXCERPT FROM THE BOOK You've probably figured out a few mistakes to avoid already but you'd probably be surprised at what many employers are turned off by when reading cover letters Lack of proofreading This is a no brainer but many people often miss them or don't bother to spell check before sending out the cover letter and resume It's always a good idea to ask a friend or family member to check your letter for spelling errors and typos to give you a fresh perspective Not including the name of the hiring manager If you don't know who is going to read your cover letter and resume try to find out When in doubt call the company and ask who the person in charge of that department is so you can target your letter appropriately Not writing to an audience Focus each letter on each employer According to Career Builder 44 percent of executives polled said it's common for applicants to use their cover letters to show they've learned more about the job Doing so can give you an edge against the competition Failing to sell yourself If you undersell your skills and qualifications you won't make an impression on the reader Don't just talk about your accomplishments give concrete examples Regurgitating the resume Cover letters weren't meant as a tool to repeat everything that's in your resume It's a tool to build on it and an opportunity to correlate your experience with the job you're

applying for Include any training classes awards and recognition you ve received in the past that might give you an edge over the competition Buy a copy to keep reading The Resume and Cover Letter Phrase Book Nancy Schuman,Burton Jay Nadler,2010-12-18 **201 Killer Cover Letters Third Edition** Sandra Podesta,Andrea Paxton,2014-04-04 THE BESTSELLING GUIDE TO WRITING COVER LETTERS THAT MAKE YOU STAND OUT FROM THE COMPETITION With hundreds of ready to download letters updated with strategies for networking online social media and responding to Internet job postings Wow wow and wow Letters like these are what I want to see they help me get to know the person immediately and create a very positive impression Melissa Burke co owner Blue Plate Minds Creative Staffing Agency I recommend this book to all the job seekers I work with it saves them time and expedites the search Julie Hipp Principal Impact Partners Executive Search Firm This book guides job seekers at every level in using social media and technology to compete with more tech savvy candidates Mary Gable career and outplacement counselor Podesta and Paxton s strategies are brilliant The letters will impress hiring managers and the advice on using the Internet is spot on Dave McGurgan social media manager These letters go right to the core of what is needed to get one step ahead of the rest Jay Jamison International Managed Service Leader British Telecom Letters like these bring both resume and applicant to life so I can make the right decisions about whom to interview and ultimately hire Loretta Kuhland former Deputy Executive Director Center for Disability Services New York Capital Region Knock 'em Dead Cover Letters Martin Yate,2014 **Cover Letters, Follow-Ups, Queries and Book Proposals** Anne Hart,2004 Once your cover letter is positioned first to be noticed then how do you position the letters to be noticed for the longest time in a number of situations What kind of thank you letters work best How do you ask for help in finding a job from a letter to a stranger acquaintance or business networking contact How do you write a cover letter that will never be misinterpreted as a sales pitch or autobiography How do you plan write and format an outstanding book proposal that lets the reader see the bottom line profit for the publisher Positioning your goal or project first means going where no one has gone before It s where the competition is missing Go where no one else has gone before when you plan write and format great cover letters follow up letters and book proposals Cover and follow up letters or proposals could be applied to book proposals book proposal cover letters written marriage proposals pre nuptials and courting Cover letters could apply to love letters letters to friends and relatives business contacts at trade shows or literary agents How do you use cover and follow up letters to position first your resumes proposals relationship communications marketing or sales connections and connections After cover letters how to you plan write and position first your follow up letters What types of letters bring people together Act as a catalyst Get you an interview Position you first for inclusion in a job business or relationship What type of letters position first attract and sell what you can do without looking like sales letters What types of cover and follow up letters are best sent with a resume **Knock Em'dead Cover Ltrs.(6th)** Martin Yate,2004-10-17 Offers advice on writing a professional looking cover letter that complements the accompanying resume and draws attention
