*Comparing mental health cross-culturally* Yasuhiro Kotera, Claude-Hélène Mayer, Kenichi Asano, 2023-06-23 **Mental Health Literacy: How to Obtain and Maintain Positive Mental Health** Carlos Sequeira, Francisco Sampaio, Lara Guedes De Pinho, Odete Araújo, Maria Teresa Lluch, Lia Raquel De Sousa, 2022-11-15 **Mental Health Equity** Daniel E. Dawes, Nelson J. Dunlap, Octavio N. Martinez, 2025-09-06

Mental Health Equity is the first comprehensive textbook to explore the drivers of mental health inequities in the United States and the innovative strategies being used to advance equity through programs and policies. Ideal for students in public health, mental health, health policy, social work, medicine, allied health, and psychology, this groundbreaking text takes a holistic, ecological approach to addressing historically overlooked public health challenges, empowering learners to understand and combat mental health disparities. The book examines the historical and structural conditions influencing public mental health, including the impacts of racism, redlining, and policy development. Further, it investigates the diverse determinants of mental health equity: social, economic, environmental, biological, and political, highlighting their interconnected roles in perpetuating inequities. It also explores the role that the compounding effects of intersectionality play, the importance of actionable frameworks, state and federal policy initiatives, and payment strategies are for advancing mental health equity. Integrating theory with practice, offering innovative models, global perspectives, and practical tools for community engagement and systemic transformation, *Mental Health Equity* provides a detailed call to action. This inspiring book is for passionate leaders, clinicians, policymakers, and advocates who support population health and who strive to counter the persistent inequities affecting millions of Americans.

**Key Features:** Presents real-world applications to groundbreaking frameworks such as intersectionality, political determinants of health, and anti-racism. Provides clearly defined learning objectives, engaging discussion questions, and important case vignettes illustrating challenges of persistent mental health inequities. Brings together perspectives from diverse and notable leaders of public health, medicine, psychology, health policy, law, and social justice. Qualified instructors have access to expanded Instructor Resources featuring chapter PowerPoints, a Sample Syllabus, Test banks, an Instructor Manual with learning activities for each chapter, and additional resources to supplement students' dynamic learning and interaction with the text.

**Mastering Your Self, Mastering Your World** John William Reich, 2015-01-30. Our lives are conducted within a dynamic, vibrant but often challenging context of desirable, undesirable, and even threatening life experiences. A rewarding life in the face of these experiences depends on our ability to engage and maintain a sense of personal mastery as we go through life. Psychologists have uncovered some of the key principles of mastery-infused living. This book presents many examples of some of the key distinctions among our experiences in our daily living, highlighting how our well-being is centrally based on how we engage our personal mastery beliefs and actions in navigating these varied types of life experience. Studies show that mastery can be strengthened through training. A number of mastery-enhancing treatments have been developed in research and clinical

practice and are presented here in an accessible format emphasizing how they can be adopted by the individual reader These tests consistently show positive benefits for physical and mental health Rethinking our lives and our experiences from a personal mastery template can be a key to a more successful life
