teaches how to understand marketing in a true sense not just to increase sales but how to develop loyalty and build a massive and widespread positioning of a product or business using the internet

Smart Computing Paradigms: Artificial Intelligence and Network Applications Milan Simic, Vikrant Bhateja, M. Ramakrishna Murty, Sandeep Kumar Panda, 2024-11-21 This book presents best selected papers presented at the 6th International Conference on Smart Computing and Informatics SCI 2024 held at the Department of Computer Science and Engineering Anil Neerukonda Institute of Technology Sciences ANITS Visakhapatnam India during 19-20 April 2024. It presents advanced and multidisciplinary research towards the design of smart computing and informatics. The theme is on a broader front and focuses on various innovation paradigms in system knowledge, intelligence, and sustainability that may be applied to provide realistic solutions to varied problems in society, environment, and industries. The scope is also extended towards the deployment of emerging computational and knowledge transfer approaches, optimizing solutions in various disciplines of science, technology, and healthcare. The work is published in three volumes.

New Way Modern Marketing Suryaning Bawono, Amaury Capdeville Chapuzet, 2021-07-04 This book discusses strategy and understanding of marketing, marketing communications, and digital marketing. In understanding marketing in today's digital era, it is only natural that the marketing of a business can utilize the internet as a marketing medium. Not only promotional media, but marketing as a whole, including maintaining and caring for consumer loyalty. So this book discusses 3 things about the substance of marketing in the digital era: namely Marketing, Digital Marketing, and Marketing Communication. This book teaches how to understand marketing in a true sense, not just to increase sales, but how to develop loyalty and build a massive and widespread positioning of a product or business using the internet. We hope that this book will provide readers with practical knowledge to develop more effective business marketing and increase competitiveness in today's digital era.
