Grammar Bahasa Indonesia:

Practical Grammar Bahasa Indonesia Rahman Syaifoel, 2022-11-28 Practical grammar Bahasa Indonesia is an extended grammar resource of the national language of Indonesia. The book contains a simplified but comprehensive approach to learning and deepening the basic structure of the Indonesian language which contains a brief explanation of the rules of the language and fully illustrated with sentence elements of standard Bahasa Indonesia. The example of sentences plays a significant role in this method. Users of this book can later easily reproduce these standard phrases for other purposes in another communicative environment both in spoken and in written Indonesian. However, scientific research shows that doing and or copying standard sentences is the most important and easiest way to learn a new language. The simple and clear structure of this book will help the users step by step to fully master the grammar of Indonesian. This book explains the rules and further gives a good index to find things that newcomers in the Indonesian language have problems with. At the end of each chapter there are exercises to assess newly acquired knowledge with the intention to further increase this operational knowledge of grammar so that users can also actively use it. At the very end of the book there are answers to these exercises for control.

Indonesia Stephen Backshall, 2003 This newly designed edition includes a full colour section at the front of the guide featuring the authors selected highlights of the country. Throughout there is in depth coverage of all the sights from Bali's stunning white beaches and temples to the enigmatic ruins of Java and the jungles of Sumatra. There are first hand recommendations of the best places to surf, dive and trek and comprehensive listings of the best value accommodation and eateries for all budgets. A detailed contexts section provides the reader with informed background on Indonesia's history, religions and music.

Indonesian James N. Sneddon, 1996 This grammar is a complete reference guide to the language of Indonesia as used by native speakers. The book is organised to promote a thorough understanding of Indonesian grammar. It presents the complexities of Indonesian in a concise and readable form. An extensive index, cross referencing and a generous use of headings will provide readers with immediate access to the information they require.
