

Guided Reading Activity

The Vietnam War, 1954–1975

Lesson 2 Vietnam Divides the Nation

Review Questions: Outlining

DIRECTIONS: Read the lesson and complete the outline below. Refer to your textbook to fill in the blanks.

- I. The Antiwar Movement Emerges**
- A. As the Vietnam War dragged on, support waned because many believed that the Johnson administration was not telling the truth about the war.
 - B. Many Americans believed a credibility gap existed because of inconsistencies between what was shown by media and what the administration said about the war.
 - C. Students and teachers at universities held teach-ins to explain why they opposed the war, while many protesters focused on what they thought was an unfair draft system. Most of the soldiers were working-class and minority youths.
 - D. As the war went on, many young men burned their draft cards while an estimated 500,000 refused to go.

Many soldiers argued that if they were old enough to fight, they were old enough to vote. The 26th amendment gave 18-year-olds the right to vote. Senator J. William Fulbright and Senator Edward Brooke supported the amendment and opposed the war.

II. The Peace Year

- A. Senator Lyndon B. Johnson announced plans to rescind the draft and South Vietnam. This plan, called the Vietnamization, was rejected. Americans, however, were dismayed that an enemy army defied their search for a large-scale attack.

On March 31, 1970, Johnson declared the nation with the announcement that he would not seek reelection.

His successor picked the reform MLK Jr. 1968

- A. Robert Kennedy who appeared to be in the lead for the Democratic Party nomination for president.
- B. In the primary on July 16, 1968, Republican candidate Richard Nixon because he promised to bring peace the country law and order to the country.
