Creating a resource of guided reading lesson plans Emily F. Green, 2006 All elementary schools in the Green Bay Area Public School District are now using the guided reading approach for reading instruction Simply stated guided reading involves teaching students at their instructional level This means that in one classroom alone a teacher may have five different reading groups in which students

are all reading different books and focusing on different skills Planning for numerous reading groups can take up the majority if not all of teacher s planning time Due to the fact that planning for guided reading instruction takes so much time teachers don t have time to meet their remaining job requirements within the allotted amount of time and are unable to collaborate effectively with their grade level peers This advocacy project focuses on producing a resource of lesson plans that correspond to the books in Martin Elementary School s book room to minimize the amount of time teachers spend planning guided reading lessons in order to enable them to have more time to complete other job requirements during the work day This project incorporates time for teachers to collaborate in order to produce quality lessons Test Driven Linda Valli,2008-07-24 I don t always know students by face I know them by data an elementary curriculum specialist explains ruefully in this broad examination of how No Child Left Behind impacts schools and shapes teaching practice Capturing the changes teachers are experiencing especially in the areas of mathematics and reading the authors compare and contrast three schools with diverse student populations examining how they differ in school norms and structures professional roles and responsibilities curriculum staff development and teaching and learning Including rich observational data and personal accounts from educators this inside look at school reform Analyzes the effects of policies from multiple levels examining relationships among initiatives at the federal state district and local school levels Focuses on the impact that high stakes testing policies have on reading and mathematics instruction in 4th and 5th grades Provides teacher and principal perspectives on factors that influence how practitioners make sense of mediate and construct school policy **Reading Makes You Smart** Global Teaching Journals,2019-08-16 This teacher s Guided Reading Planbook is sure to keep any reading teacher organized this school year You will find this planbook helpful especially when you are writing out your lesson plans and keeping track of your students reading progress during guided reading This book will help you stay organized on a daily weekly or even monthly basis while also helping you effectively plan each lesson for various reading groups at different reading levels This organizer includes 20 pages of weekly agenda or a week at a glance calendar pages This will give the teacher the ability to plan ahead or easily look back on what has been previously taught in each group Also includes space for lesson plans and student notes including space for Week Date Group Number or Students Book Title Level Before Reading What you would like students to know or do before reading During Reading What students should be doing or learning during reading After Reading An activity or goal for after reading Teaching Point Strategy Word Work Activity Flexible space for additional note taking more This is truly a great organizational tool for any teacher reading coach director etc Buy yours today and feel prepared for the school year
