Max Streaming Reddit Deal:

Watch Me Play T. L. Taylor, 2018-10-16 A look at the revolution in game live streaming and esports broadcasting Every day thousands of people broadcast their gaming live to audiences over the internet using popular sites such as Twitch which reaches more than one hundred million viewers a month In these new platforms for interactive entertainment big esports events featuring digital game competitors live stream globally and audiences can interact with broadcasters and each other through chat in real time What are the ramifications of this exploding online industry Taking readers inside home studios and backstage at large esports events Watch Me Play investigates the rise of game live streaming and how it is poised to alter how we understand media and audiences Through extensive interviews and immersion in this gaming scene T L Taylor delves into the inner workings of the live streaming platform Twitch From branding to business practices she shows the pleasures and work involved in this broadcasting activity as well as the management and governance of game live streaming and its hosting communities At a time when gaming is being reinvented through social media the potential of an ever growing audience is transforming user generated content and alternative distribution methods These changes will challenge the meaning of ownership and intellectual property and open the way to new forms of creativity The first book to explore the online phenomenon Twitch and live streaming games Watch Me Play offers a vibrant look at the melding of private play and public entertainment

#MeToo TV Ralph Beliveau, Lisa Funnell, 2025-03-19 The MeToo movement has heightened awareness about the prevalence of sexual violence across professional public and private spheres Since the movement began many individuals have bravely stepped forward to share their experiences within media industries that historically protected predators while silencing survivors Television and streaming content also conveys messages about gender sex consent and power that influences public consciousness These portrayals of sexual violence warrant re examination from the perspective of the MeToo movement This essay collection explores sexual violence within television and streaming media building on the previous work Screening MeToo Rape Culture in Hollywood SUNY Press 2022 The current anthology features essays covering a diverse range of genres from documentary and true crime to drama and comedy across various platforms including network television and streaming services The contributing authors analyze representational tropes through an intersectional perspective and examine how trauma memory romance and fantasy intersect the narratives presented Prompting further exploration from readers these perspectives serve as a foundation for discussing rape culture in American television and streaming
