Read this book. Kara Goldin, Founder of Hint Inc, author of *Undaunted*. The book is wonderful. *Unapologetically Enough* is one of the most vulnerable accounts of burnout. It's so relatable. There's magic in this one. Emily Thompson, Co-Founder and host of *Being Boss*. What does it mean to be enough? For years, entrepreneur and writer Carrie Severson struggled with her own enoughness. Like so many women, she constantly questioned if she was thin enough, wealthy enough, young enough, or fertile enough. But instead of finding answers, she ended up battling professional and personal burnout. Her struggles with her mental health and her status as a middle-aged woman without her own children. She had to make a change. Shining the light of love on both the good and the bad of her burnout recovery, Severson shares her soul quest and how she learned to navigate her own enoughness. With honesty, tenderness, and vulnerability, she taps into a powerful shared reality, illuminating the experiences so many women go through as they too struggle to define success and self-love. *Unapologetically Enough* is a raw, relatable story readers are calling a mental health must-have. It looks at what happens when one woman stops questioning everything about herself and her life and starts questioning what her life could be like if she accepted herself as enough.
