WHEN GIANTS RETURN: The 7 Battles Every Believer Must Win Dr. Mishael Carson, 2025-11-08 THE GIANTS ARE BACK They Never Really Left They Just Got Smarter The terror at Kadesh Barnea wasn't about physical size When the spies reported We saw the Nephilim there we seemed like grasshoppers in our own eyes and we looked the same to them Numbers 13:33 they weren't just describing giants outside the walls They were confessing the giants that had already conquered their hearts That confession cost an entire generation their destiny Forty years of wandering Forty years of watching promises turn to dust in the desert wind Forty years of knowing they could have been living in milk and honey but chose to believe in giants instead Here's the truth bomb The giants blocking your promised land aren't just out there they're inside you Fear Compromise Pride Lust Strife Deception Depression Seven ancient enemies that occupied Canaan are back and they're occupying YOU And they're winning The Pattern Repeats History doesn't just rhyme it roars The same enemies that kept Israel out of Canaan for forty years are keeping believers out of their spiritual inheritance today Different names same spirits Different weapons same war Look around How many Christians do you know who are living in the fullness of God's promises How many are walking in genuine freedom unshakeable peace and transformative power Now count how many are stuck in cycles the same battles the same defeats the same wilderness wanderings their parents and grandparents faced The giants didn't disappear They adapted They traded iron spears for invisible chains They swapped city walls for mental strongholds They exchanged physical intimidation for psychological warfare And they're more effective than ever because most of us don't even know we're in a fight Why This Matters Right Now You're at a Jordan River moment God has promises with your name on them purpose calling freedom breakthrough impact Divine appointments waiting Kingdom assignments prepared A spiritual inheritance purchased by the blood of Christ and guaranteed by His resurrection But between you and that promised land Giants Big ones Mean ones And they're not moving without a fight They've been squatting on your territory for years maybe decades They've convinced you their presence is normal that their voice is yours that their limitations are just reality They've redecorated your prison cell so comfortably you've forgotten you're in captivity The bad news These giants are real powerful and strategic They know your weaknesses better than you do They've studied your family line learned your triggers and perfected their attacks over generations The good news They're not invincible Israel conquered them David conquered them And Christ already crushed them at Calvary The even better news You're about to learn their weaknesses their tactics and exactly how to take them down The Ancient Blueprint When God commanded Israel to drive out the seven nations of Canaan He wasn't just giving military orders He was revealing a spiritual pattern that would echo through every generation Paul understood this when he wrote These things happened to them as examples and were written down as warnings for us on whom the culmination of the ages has come 1 Corinthians 10:11 Translation The seven Canaanite nations weren't just historical peoples they're spiritual blueprints showing you exactly what's trying to sabotage your destiny

Consider the precision Seven nations Not six Not eight Seven the number of completion of spiritual fullness These weren't random tribes they were a complete system of opposition a full spectrum of spiritual resistance designed to keep God's people from their inheritance The Hittites sons of terror The giant of FEAR that paralyzes your faith The Girgashites clay dwellers The giant of COMPROMISE that erodes your standards The Amorites mountain talkers The giant of PRIDE that elevates self above God The Canaanites merchants traders The giant of LUST that trades eternal for temporal The Perizzites belonging to a village The giant of STRIFE that divides and conquers the Hivites villagers The giant of DECEPTION that distorts truth The Jebusites threshers The giant of DEPRESSION that beats you down Each name reveals nature Each territory exposes strategy Each battle teaches victory Your Promised Land Is Occupied Territory Here's what nobody told you when you got saved Accepting Christ gets you out of Egypt but it doesn't automatically get Egypt out of you Salvation breaks Pharaoh's chains but you still have to face the giants The Promised Land Your spiritual inheritance victory and abundant life in Christ The Giants Internal enemies that occupy that territory and fight to keep you out This is why so many believers live beneath their privilege They're saved but not free Forgiven but not transformed Heaven bound but earth defeated They crossed the Red Sea but never crossed the Jordan They escaped slavery but never entered abundance The land is yours by divine decree purchased by divine blood guaranteed by divine promise But it's occupied And God's method hasn't changed Little by little I will drive them out before you until you have increased enough to take possession of the land Exodus 23:30 Notice God could evict these enemies instantly He doesn't Why Because the battle isn't just about the land it's about who you become in taking it Every giant you face is designed to develop something in you that comfort never could Every victory rewrites your spiritual DNA Every conquered territory expands your capacity for God's presence and power The Cost of Coexistence Israel made a fatal mistake Instead of driving out the inhabitants completely they decided to coexist When Israel became strong they subjected the Canaanites to forced labor but did not drive them out completely Joshua 17:13 Sound familiar I can manage this fear I just won't let it control me completely A little compromise won't hurt I know where to draw the line This depression is just part of who I am I've learned to live with it Every giant you tolerate becomes a generational curse Every enemy you refuse to confront becomes an inheritance you pass to your children The Canaanites Israel left alive became thorns in their sides and snares to their souls for generations Your compromise today is your child's captivity tomorrow Your tolerated giant becomes their inherited stronghold The battle you refuse to fight is the war they'll have to wage This Book Is Your Battle Manual This isn't another self-help book with seven steps to a better you This is spiritual warfare intelligence a detailed reconnaissance report on the enemies occupying your inheritance Each chapter breaks down one giant Its Identity Who this enemy really is and how it operates Its Weapons The specific tactics and lies it uses against you Its Weakness Every giant has an Achilles heel you'll learn each one Its Defeat The exact biblical strategy to bring it down Your Victory How to not just win but occupy and maintain conquered territory You'll discover why David picked up five

stones he was ready for Goliath's four brothers You'll understand why some giants take fasting to defeat while others require community You'll learn the difference between a giant that's defeated and one that's just hiding Most importantly you'll stop fighting symptoms and start destroying roots The Three Levels of Victory As you journey through this book you'll experience victory on three levels Level 1 Recognition You can't defeat what you won't identify Most believers are losing battles they don't know they're in conquered by enemies they've befriended The first victory is simply seeing the giant for what it is not a personality quirk not a family trait not just how life is but an enemy of your soul occupying stolen territory Level 2 Resistance Once exposed giants get aggressive They've been comfortable in the shadows light threatens their existence This level is where most believers get stuck they see the enemy but lack the strategy to defeat it You'll learn not just to resist but to go on the offensive Level 3 Replacement Empty territory invites occupation It's not enough to evict giants you must fill that space with God's presence and purpose This is where freedom becomes transformation where victory becomes inheritance where surviving becomes thriving Ready for War Joshua stood at the edge of the Jordan River staring at the same land that terrified his generation forty years earlier The giants hadn't shrunk The walls hadn't crumbled The challenge hadn't diminished But Joshua had changed He'd watched Moses He'd witnessed miracles He'd waited four decades for this moment And when God said Be strong and courageous Do not be afraid do not be discouraged for the LORD your God will be with you wherever you go Joshua 1:9 Joshua didn't count giants he counted on God Same command Same promise Different enemy Same God The question isn't whether you can defeat these giants Christ already won that victory The question is whether you'll appropriate what's already yours whether you'll fight for what's been freely given whether you'll possess what's been purchased Your giants are real but they're not rightful They're powerful but they're not permanent They're intimidating but they're not invincible And they know something you're about to learn Their time is up The Journey Ahead In the pages that follow you'll meet your enemies face to face You'll learn their names study their nature and discover their defeat But more than that you'll meet the Giant Killer who lives in you the One who makes grasshoppers into giant slayers who turns shepherd boys into kings who transforms fugitives into warriors This isn't just about winning battles It's about taking territory It's about generational deliverance It's about becoming who God created you to be and doing what God created you to do The giants are real The war is real But so is your victory So is your inheritance So is the God who goes before you Let's go giant hunting A Final Word Before We Begin One last thing Giants don't die quietly When you start this journey expect pushback Expect the very enemies exposed in these pages to rage against your reading to distract your attention to minimize the message They know what happens when God's people get serious about their inheritance But remember Their intimidation is proof of their desperation Their roar reveals their fear They know that an awakened equipped determined child of God is their worst nightmare You're about to become that nightmare Welcome to the war you were born to win *The Great Return* Jamie Franklin, 2025-03-13 The decline in Secular Western morality can only be halted and reversed by a full return to Christianity

Many people have a sense that the Western World is in decline and that our society is fragmenting around us. Many people have an ominous sense that we are living at the end of a civilised age and are moving into something far less pleasant and humane. But fewer people understand why this is happening. In this new book Jamie Franklin argues that the reason for this decline is because we have jettisoned the underlying belief system that gave birth to the Western world and the Western mind in the first place: Christianity. He argues that there is a logical and inevitable link between the decline of Christianity and the decline of the West. As our metaphysical commitment to Christianity declines, so does our commitment to the benefits that came to us from Christianity. Through captivating argument, he demonstrates how this plays out in the scientific realm which has abandoned objectivity for dogmatism; in the ethical realm which is eliminating humanity from its own formulations; and in the political scene as it moves away from the democratic principle towards a neo-Marxist influenced nihilistic technocracy that threatens to eliminate human culture, distinctiveness, and agency in the pursuit of a globalist utopia. In so doing, Franklin touches on contemporary political conversations that are exercising the public imagination, such as abortion, euthanasia, transhumanism, and the rebirth of the totalitarian impulse in Western democracies. Only a revival of Christianity can reverse these trends. This book urges the Church to take seriously its own commitment to the metaphysical and ethical presuppositions of its own faith. But it also acknowledges the great challenge that Christianity faces as it threatens to be overwhelmed by the rising tide of secular nihilism that may yet engulf the Western World.

[The Return of Hegemonic Masculinity](#) Conrad Riker, 101-01-01. Why Modern Men Are Starving for Purpose And How to Fix It Without Apologizing. Tired of being called toxic for wanting to lead, protect, or compete. Sick of watching boys raised to be beta bureaucrats instead of warriors. Feel like marriage is a rigged game where you pay, pray, and lose. Exposes why gender equality is a myth that ignores 200,000 years of evolutionary biology. Debunks the lie that male leadership caused oppression, not collapse. Reveals how feminism weaponizes divorce courts to turn men into tax mules. Data-driven proof that societies thrive under patriarchy and implode under matriarchy. Uncensored case studies. From Churchill's grit to why tech giants NEED male brains. How to dodge the toxic masculinity trap while staying unapologetically strong. Why fatherlessness breeds chaos and how to rebuild the nuclear family. The 1 reason modern women are miserable: hint, it's not men's fault. If you want to silence the guilt trippers, reclaim your biological birthright and lead a life feminists can't cancel.
