Going Solo Roald Dahl, 1988-01 As a young man working in East Africa for the Shell Company Roald Dahl recounts his adventures living in the jungle and later flying a fighter plane in World War II

Roald Dahl Roald Dahl, 2008 Going Solo with Roald Dahl Jeannine Huenemann, 2011 Roald Dahl does not easily fit into a category as a writer contributing fiction and nonfiction to both children and adult audiences Faced with this ambiguity the literary community has mostly ignored his contributions since he is mainly viewed as a children s author Late in life Dahl created two autobiographies *Boy Tales of Childhood* 1984 and *Going Solo* 1986 as venues for sharing his many embellished personal stories This thesis focuses on *Going Solo* the second of these two books which explores Dahl s three year departure from England including his enlistment in the Royal Air Force during World War II During this same time period he wrote 126 personal letters and telegrams to his family He had experienced much change in his life during the nearly fifty year gap from when the letters were written to when he crafted *Going Solo* for a more general audience By comparing this personal correspondence to *Going Solo* it is possible to see how memory and self selection permitted the author to craft a personal narrative interested as much in reconstructing his public persona as recounting true events from his past This thesis asserts that Dahl does not rely exclusively on his letters when reconstructing the narrative and instead inserts himself into a larger historical narrative Dahl used *Going Solo* to point to the locations where his personal narrative collides with history and emotions This is particularly true in the last half of the book where he comes to rely on historical

touchstones It is full of places and people which evoke memories and strong feelings for him Dahl also relied on techniques and motifs found in folktales features that make his work of particular interest to folklorists The final chapter offers an examination of these techniques used in The BFG Dahl s most autobiographical work of children s literature written only four years prior to *Going Solo* By paying closer attention to his methodology we gain a clearer understanding of how folklore functions in the development of literary personal narrative *Going Solo* Roald Dahl,1987 Recounts Dahl s life as a young man from his employment with the Shell Company in Tanzania through his service in the Royal Air Force during World War II

Boy & Going Solo Roald Dahl,1992 **Roald Dahl** Ann Alston,Catherine Butler,2012-11-01 Roald Dahl is one of the world s best loved authors More than twenty years after his death his books are still highly popular with children and have inspired numerous feature films yet he remains a controversial figure This volume the first collection of academic essays ever to be devoted to Dahl s work brings together a team of well known scholars of children s literature to explore the man his books for children and his complex attitudes towards various key subjects Including essays on education crime Dahl s humour his long term collaboration with the artist Quentin Blake and film adaptations this fascinating collection offers a unique insight into the writer and his world **Going Solo [by] Roald Dahl** Roald Dahl,1990 **Boy** Roald Dahl,2001 Roald Dahl s life was as bizarre frightening exciting and funny as the stories he wrote Now you can read the whole of his extraordinary autobiography in one volume *Roald Dahl* Michelle M. Houle,2006 A biography of the author who created Charlie and the Chocolate Factory and James and the Giant Peach Boy Roald Dahl,1992 From his high spirited childhood in Norway and Wales to his mischievous battles against authority and his cruel experiences at an English public school Boy is the enchanting funny and sometimes painful account of Roald Dahl s early life Continuing his story where Boy left off *Going Solo* recounts his hair raising adventures in East Africa as the employee of an oil company and later with the outbreak of war as a daring and courageous RAF fighter pilot in the Western Desert Greece and the Middle East **Lord Gnome's Literary Companion** Francis Wheen,1994 His review has got to be in by mid day tomorrow at about 9 pm his mind will grow relatively clear and until the small hours he will sit skipping expertly through one book after another and laying each one down with the comment God what tripe Then suddenly he will snap into it All the stale old phrases a book that no one should miss something memorable on every page jump into their places like iron filings obeying the magnet Thus did George Orwell writing forty years ago in *Confessions of a Book Reviewer* describe the labours of a typical literary hack Precious little has changed over the intervening decades the servility of the satirical magazine *Private Eye* Lord Gnome s *Literary Companion* assembles in thematic order the best of these columns to present an astringent rude and funny survey of publishers and the published *Going Solo, Roald Dahl* Linda Flynn,Sally West,1989 **Penguin Readers Level 4: Going Solo** Roald Dahl,2020-06-23 Penguin Readers is an ELT graded reader series for learners of English as a foreign language With carefully adapted text new illustrations and language learning exercises the print edition also includes instructions to access
