In another realm known as Philadelphia a young woman has just discovered she possesses a treasure of her own. When Breen Kelly was a girl her father would tell her stories of magical places. Now she's an anxious twentysomething mired in student debt and working a job she hates. But one day she stumbles upon a shocking discovery her mother has been hiding an investment account in her name. It has been funded by her long lost father and it's worth nearly four million dollars. This newfound fortune would be life changing for anyone. But little does Breen know that when she uses some of the money to journey to Ireland it will unlock mysteries she couldn't have imagined. Here she will begin to understand why she kept seeing that silver haired elusive man why she imagined his voice in her head saying Come home Breen Siobhan It's time you came home. Why she dreamed of dragons.
