The authors, both pioneers and craftsmen of their time, come from a broad spectrum of backgrounds, each contributing to the anthology's overarching theme with their unique flavor of apocalypse. These writers are not just storytellers but visionaries who collectively paint a multifaceted picture of humanity at the brink. They belonged to and were influenced by a range of historical, cultural, and literary movements from the romanticism and transcendentalism of the 19th century to the early 20th century's modernism and the budding science fiction genre.
