**Revolutionary Pricing** Matthew Bamigbose,2022-10-31 Pricing your services products is the most important decision when you are looking to sell something online The Internet offers customers thousands of choices so you need to be on par with your competitors Price completely determines how long you can stay in the market You should have a clear idea of the price How far can you push it How often should I check prices Much depends on how you handle this stage of your business First you need to identify a group of consumers then estimate how much they are willing to pay for your service or product But apart from that you also have to make sure you are making a profit for yourself And often these two requirements can conflict Different people price products in different ways Some are science based some are not This is a procedure that works based on the understanding of production costs customer expectations and other players in the field

The Power of Cash Jay L. Zagorsky,2025-04-01 Why cash is worth preserving in an increasingly cashless society Over the last thirty years we have witnessed a rapid transformation in the way that people pay for goods and services Where we used to use cash for all but our largest purchases many people now prefer credit cards debit cards cryptocurrency and electronic services like Venmo PayPal or Alipay And that s not necessarily a good thing In The Power of Cash Why Using Paper Money is Good for You and Society Professor Jay Zagorsky former advisor to the Boston Federal Reserve delivers a startlingly insightful and eye opening discussion of the harmful and unintended consequences of the demise of paper money The author convincingly argues that cash is an essential and helpful tool that s worth preserving for the long run You ll learn why using cash makes it easier to control your spending secures your anonymity and privacy against bad actors intent on stealing your data mitigates the chaos of climate change and war and helps the poor vulnerable unbanked and disenfranchised to navigate society You ll also discover When business and governments can refuse to take your paper money How cash maintains your privacy and anonymity from tech companies hackers banks and others How cash ensures companies cannot charge you a high custom price The potential dangers of giving governments control and knowledge of your spending How cash controls additional fees and costs associated with electronic purchases Perfect for anyone with an interest in the way we pay for the things we buy each and every day The Power of Cash is also a must read for people interested in the implications of a truly cashless society on personal finance technology politics and social justice

Value Or Bubble?
