McAlary, 2021-06-16 From the internationally bestselling author of SLOW comes a new call to arms for a new approach to living well for everyone Tiny acts of care are everywhere A smile passed between strangers A moment spent noticing the light through the leaves A homemade meal shared with friends A parent chasing their child around the park smiles spread on their faces But when the world we live in is overwhelmingly a world of disconnection pain and division it makes sense to ask

whether these acts of care beautiful moments of delight connection and kindness that they are really matter at all Brooke McAlary believes they matter In fact she believes they might be some of the most important actions we will ever take Now more than ever we re burnt out heartsick and overwhelmed by a world full of problems that seem too big to fix The solution doesn t lie in caring less and switching off Nor does it lie in caring more and throwing ourselves into further burnout The radical solution is to learn how to care small Tiny even Care The radical art of taking time explores what it means to care in small powerful ways for ourselves our loved ones and our communities and reveals that caring doesn t need to cost us our wellbeing happiness or connection to the world That making simple changes to how we live spending more time in nature putting down our devices and connecting with each other face to face finding awe and wonder in the world around us and remembering how to play will have ripple effects that reach far beyond our own corner of the planet With unwavering compassion and understanding Brooke McAlary takes us on a journey to rediscover the small pleasures that create large ripples reminding us that no one needs to shoulder the burden of doing it all by themselves we only need to cast our eyes forward and start small with care

Black Fall Andrew Mayne,2017-03-21 Enthralling The author a professional magician makes the impossible seem probable in this twisty clever treat Publishers Weekly In Black Fall the third book in the ITW Award nominated mystery series magician turned FBI agent Jessica Blackwood investigates a series of seemingly unrelated but equally bizarre and sinister crimes that lead her to the Colorado desert and a town that has simply disappeared With two big cases under her belt FBI Agent Jessica Blackwood is learning to embrace her unconventional past as the rising star in a family dynasty of illusionists Her talent and experience endow her with a unique understanding of the power and potential of deception and a gift for knowing when things are not always as they appear to be Once resenting her eccentric grandfather a brilliant magician in his own right Jessica now sees him as a mentor and regularly seeks his advice about her work But Jessica s routine surveillance operation becomes a fight for survival when a disturbed young woman clutching a baby shows up at the stake out location and threatens to kill her child On the same day an hour after a severe earthquake rocks the eastern seaboard a strange video goes viral Nobel Prize winning physicist Peter Devon has been dead for eight years yet here he is on camera predicting the location and date of the earthquake Jessica is put on the case by her boss Dr Ailes but when Detective Aileen Lewis reports that they ve found a Jane Doe who matches her description of her attacker she s torn between professional duty and a personal desire to find out who the woman was and why she was killed The investigations pull her in very different directions until they start to converge leading Jessica to confront something darker and more powerful than anyone expected Something so twisted only one person could be behind it the Warlock
