I have complete knowledge of the various techniques and types of yoga postures and I can perfect my students to perform even the hardest pose easily and correctly. I also have proficiency in various breathing and relaxation techniques and I have the right teaching skills which will enable my students to improve their overall health and well-being.

On this note, I would like you to consider some of my highlighting qualifications –

- Specialized in Ashtanga yoga type wherein I can teach this style to any age-group people
- Well-versed with the relaxation and breathing methodologies and their principles
- Completed 400 hours of Hatha Yoga training which is a common form of yoga type practices today; and have around 200 hours of training in Vinyasa Flow yoga – an advanced yoga form that concentrates on breathing poses and techniques
- Currently working towards earning a certification in Bikram Yoga, which focuses on heat and poses.

Having said this, my exemplary interpersonal and communication skills ease my work while dealing with my students and as a result, they receive the right way to practice yoga. Besides, I am confident that I am comfortable teaching yoga based on the history of the participants such as – BP, Sugar, Ortho, and pregnant women.
