○○○○○○○○○○○○○○○○○○○○ ○○○○○○○○○○○○○○○○○,2020-03-27 The Way of Judo John Stevens,2013-08-13 A martial arts biography of the legendary founder of judo Jigoro Kano and the colorful coterie of disciples who wanted to carry on his legacy Kodokan judo one of the most well known martial arts in the world today was originated by Jigoro Kano 1860 1938 a martial artist and career educator who developed the art after studying several types of jujutsu sumo and Western wrestling Openness and refinement were hallmarks of his personal and professional style and he relentlessly searched for the best way to practice teach and perform techniques This biography shows how Kano saw judo as a vehicle not just for self defense but for physical spiritual and moral development as well His teachings clearly emphasize his ideal of judo as a way of self cultivation that leads to physical health ethical behavior and ultimately a better society Kano was a tireless activist who promoted the practical application of judo's principles in all realms of life in one's personal behavior for education in work for economic benefit and in both the local and international political arenas Kano's students were a colorful sometimes notorious bunch and this book reveals how several went on to become famous or infamous in their own right They include a prime minister of Japan the leader of the Communist party in China a famous novelist a spy high level military leaders and a media mogul among many others **Mind Over Muscle** JIGORO. KANO,2025-05-21 Discover the Origins of Judo The Legacy of Jigoro Kano In 1882 Jigoro Kano 1860 1938 a visionary educator and martial artist founded Kodokan Judo at the Eishoji Temple in Tokyo His creation marked the transformation of traditional jujutsu into a new martial art that preserved classical techniques while introducing a modern structured philosophy Historically practiced by Japan's elite martial arts were not widely accessible until Kano revolutionized their reach He introduced judo as a discipline for all levels of society blending physical skill with moral and intellectual development Kano began studying jujutsu in his youth mastering an art that had been practiced since Japan's feudal era This ancient system included techniques such as throwing striking joint locks and chokeholds along with counters to these moves After extensive study Kano recognized that many styles lacked a unifying philosophy He identified one core principle that would define judo maximum efficiency in the use of mind and body From this principle modern judo was born Kano selected and refined techniques that embodied this idea giving rise to a discipline where Ju means gentleness or yielding and Do means the way or principle Together Judo means The Way of Gentleness a path where giving way can lead to ultimate victory Kodokan meaning the school for studying the Way became the foundation of judo as we know it a martial art a philosophy and a way of life Judo A Samurai Legacy David Monteverde,2009-10-07 Judo is best known as an Olympic combat sport whose highlights are spectacular throws sometimes followed by devastating armbars or strangulations on the ground But this is only one aspect of judo Judo is also a system of self defense a system of physical education and a philosophy This book explores some of the different aspects of the way of gentleness including its history purpose technical foundations and cultural context **Handbook of Sport and Japan** Helen Macnaughtan,Verity
