

Understanding the National System

Question:

Today, international organizations struggle for political, technical knowledge of the institutional context of nations. These are not always the same. Differences of organization reported in the organizations and each nation is not. However, the document reports on the country's path for achieving better organization. Moreover, each of the following organizations of the National System and throughout the three below describe how the National System accomplished this organization: the results.

Country	Organization	Performance	Characteristics of organization
England National System	1970	1970-1980	First administrative system and technology was different of many
Germany National System	1970	1970-1980	1970 brought about a generalization of the administrative system
United States	1970	1970-1980	1970 and 1980s were the most important transition of political, technical, administrative system
Spain National System	1970	1970-1980	1970 brought about a generalization of the administrative system and 1980s were the most important transition of political, technical, administrative system
France National System	1970	1970-1980	1970s were the most important transition of political, technical, administrative system
Japan National System	1970	1970-1980	1970s were the most important transition of political, technical, administrative system
Sweden National System	1970	1970-1980	1970s were the most important transition of political, technical, administrative system

Lesson 21 Handout Enlarging The National State
