

Light Zone City

Light Planning in the Urban Context

Christa van Santen

Birkhäuser

An aerial night photograph of a city, likely Austin, Texas, showing a glowing, semi-transparent light zone overlay. The zone is a large, irregular shape that encompasses a significant portion of the city's urban area, including the state capitol building on the right. The city lights are visible through the overlay, and the overall scene is illuminated by the city's lights and the glow of the light zone.
