Adulting Financially for Millennials Zach Yereb,2017-08-04 OK sooooo what do we do with our money Our education system may think its important to teach topics such as physics and the Pythagorean theorem but I think that for the 98% of Americans that will never use it we need to cover the things 100% of Americans need like balancing your budget and understanding your credit score you know that thingy you need to buy a house with In this book we will talk about that jackass of an elephant in the room oh geez not Clinton or Trump see what I did there credit card debts and student loans the things that give you the equivalent turbulent feeling of walking into the bathroom on a commercial airline flight simultaneously as the captain announces hes turning the Fasten Seatbelt sign back on due to rough weather What about life insurance Retirement Im going to touch on everything youre worried about but not like a creepy doctor Let me just make one thing clear my intent is for you to understand you need to put a financial plan in place and that you need a financial advisor Everyones financial situation is different and everyone needs help These are my own opinions correct opinions mind you Statements and or opinions in this publication are my own and are not affiliated or a reflection on the Department of Defense

The Joy of Politics Amy Klobuchar,2023-05-09 An intimate and revelatory memoir on personal challenges political turmoil and the state of American democracy from one of the most effective voices in politics Amy Klobuchar During the past few years as our country has faced unprecedented challenges Senator Klobuchar has been in the room where it happens on the Senate floor for critical votes during the pandemic at the debate podium during one of the most critical presidential elections in US history and in the Capitol on January 6 2021 when insurrectionists stormed the building interrupting the certification of the electoral college It was well past midnight when Klobuchar stood beside then Vice President Pence to officially certify President Biden s victory In her candid honest and at times bitingly funny memoir the pragmatic senator shares insider stories from these historic moments while also inviting readers into her personal life An underdog in the 2020 Democratic presidential primary campaign she built surprising early momentum only to suspend her candidacy in order to support Joe Biden Within weeks of returning to work in the Senate the sudden onslaught of COVID 19 hit her family directly Her husband got very sick and spent a week in the hospital on oxygen and a month in isolation Klobuchar shares her experience facing a cancer diagnosis while watching her beloved father succumb to Alzheimer s She recounts the dramatic narrative of January 6 and how close we came to losing our democracy And with her signature humor she reveals what it s like to work with some of her more well interesting colleagues At the crux of these stories is a narrative of resilience of personal resilience and the resilience of a nation and improbably joy
