Main Idea & Details

Ice Cream

When you think about different flavors of ice cream, you may imagine chocolate, vanilla, and strawberry. But have you ever heard of ice cream with lobster in it? A shop in Bar Harbor, Maine serves Lobster Ice Cream, which has real lobster pieces cooked, buttered, and folded into a buttery vanilla ice cream. A shop in New York tries out new one-of-a-kind ice cream flavors each day. Some of their creations include Garlic Ice Cream, Pizza Ice Cream, and Corn on the Cob Ice Cream. For Thanksgiving, you can have your turkey and dessert all in one at another New York shop that makes Brown Turkey Ice Cream. If you are feeling really adventurous, you can try you to try Ramen Town, an amusement park in Tokyo, Japan. They serve Ramen Cow Tongue Ice Cream, and even Ramen.

What is the main idea of the story?

- 1) Ramen Town is in Tokyo, Japan.
- 2) Ice cream can come in many unique flavors.
- 3) You can get Garlic Ice Cream in New York.
- 4) Chocolate and vanilla are the most popular flavors.

Reading with Meaning Debbie Miller, 2023-10-10 Ten years since her first edition author Debbie Miller returns with Reading with Meaning Second Edition Teaching Comprehension in the Primary Grades to share her new thinking about reading comprehension strategy instruction the gradual release of responsibility instructional model and planning for student engagement and independence Reading with Meaning Second Edition delves into strategy and how intentional teaching and guided practice can provide each child a full year of growth during their classroom year New in this edition are lesson planning documents for each chapter that include guiding questions learning targets and summative assessments as well as new book title recommendations and updated FAQs from the first edition Also included are strategic lessons for inferring determining the importance in each text and synthesizing information Teachers can help students make their thinking visible through oral written artistic and

dramatic responses and provide examples on how to connect what they read to their own lives In this book Miller reflects on her professional experiences and judgement along with current research in the field She provides a guide for any teacher hoping to build student relationships and develop lifelong independent learners **Starting with Comprehension** Andie Cunningham, Ruth Shagoury, 2005 It is never too early to start comprehension instruction In fact reading begins with meaning making Andie Cunningham and Ruth Shagoury designed a reading program for five and six year olds based on this premise Most of the students in Andie s Portland Oregon kindergarten class have little or no alphabet knowledge when they enter the classroom in the fall English is a second or third language for many of the children in this low income neighborhood Through research based principles carefully structured routines and innovative activities even the youngest learners can develop comprehension skills from their first days in school The children in Starting with Comprehension are grappling with school culture for the first time and learning to work with classmates who speak a variety of different languages These emergent readers learn to present their understanding of what they read through writing talk movement and art Kindergartners and preschoolers are different from readers who know how to decode texts Andie and Ruth show how comprehension skills can be nurtured and strengthened even before decoding begins In this classroom meaning making becomes part of community building as children link reading thinking and communicating
