**Booktopia Social Engagement** Avery Carpenter Forrey,2023-05-23 If you're looking for a page turner with some bite this one is for you. The Skimm Millennial wedding culture gets a much needed skewering in this alternately light and biting novel. Vogue A razor sharp and darkly humorous debut novel exploring millennial wedding culture class and relationships all filtered through the ever present lens of social media. In an opulent honeymoon suite in Watch Hill Rhode Island's most desirable wedding venue 29 year old Callie Holt is spending her wedding night lying in a bathtub shoveling down a pizza her expensive white dress now splattered with sauce and her groom passed out in the next room. With her seven hour old marriage already imploded Callie turns to the place of record her phone sifting through the photographic evidence of the past year to pinpoint where it all went wrong. Could it have started when Callie moved in with her best friend Virginia Murphy in the swanky Upper East Side pied terre for which Virginia's parents foot the bill. Or when Virginia's irritatingly attractive cousin and Callie's secret ex Ollie returned from pursuing his photography career abroad throwing a wrench in Callie's relationship with her kind if a bit dim finance bro boyfriend Whit. Or was the true turning point when Callie stumbled upon a dark secret lurking in the Murphys well heeled past one with the potential to upend everything Callie knows about the people she considers her second family. Over the course of one wedding filled year all these long simmering secrets and resentments will come bubbling to the surface leading to a reckoning that will strip Callie and everyone around her down to their most gruesomely real filter free selves. As Callie attends wedding after wedding getting tagged in post after post she begins to contemplate and actualize through her own art the gulf between the true selves of the people around her and the selves they present on their screens.

Bighearted gritty magical and moving an irresistible novel from the #1 internationally bestselling author of *Boy Swallows Universe* and *All Our Shimmering Skies*. Home is now a van with four flat tires in a junkyard by the edge of the Brisbane River. The girl has no name because names are dangerous when you're on the run. But she has a dream. A vision of a life as an artist. A life outside the grip of the Brisbane underworld. A life of love with the boy who's waiting for her on the bridge above the deadly river. And once her mother can no longer protect her there's only one person who can help make her dreams come true. That person is Lola. But she has to find her.
