This is a complete reference book for readers who want scientifically researched recommendations for the best all-natural treatments for specific conditions presented in an easy-to-follow format. Covers complaints and ailments from high blood pressure to bug bites. Each treatment based on the latest scientific research. Includes natural remedies from herbs and supplements to traditional Chinese Medicine. Arranged by specific ailment or disorder. [The Complete Guide to CBD](#) Craig

Tomashoff, 2020-03-17 The comprehensive chronicle of what is being hailed as a medical miracle will explain everything you need to know about CBD. The future of healthcare may be found in just three little letters: C, B, and D. This compound, officially called Cannabidiol but now known worldwide as CBD, is the revolutionary element within marijuana that has stirred massive public curiosity thanks to its potential healing powers. Still, the more we hear about it, the more we realize how little we know about this potentially powerful plant. Which is where this premium book comes in. This comprehensive chronicle of what is being hailed as a medical miracle will explain everything you need to know about CBD. Whether it is the breakdown of the most effective ways to consume it, why the government legalized it, nationwide hemp-derived CBD is now legal in all 50 states, and insight into all the conditions it can help, including cancer, migraines, PTSD, sleep, anxiety, muscle pain, and even your sex life, this book is a comprehensive look at a wonder drug that is already changing millions of lives. **The Child**
