**The Legal English Course Book Volume One & Volume Two** ,2018 **Popularization and Knowledge Mediation in the Law. Popularisierung und Wissensvermittlung im Recht** Jan Engberg,Karin Luttermann,Silvia Cacchiani,2018 This volume widens the scope of Legal Linguistics from the traditional focus on performative texts like statutes to the popularization of legal knowledge for different purposes The chapters written in English German or French discuss the theoretical basis and methods and investigate popularization efforts by national institutions law firms and community websites The objects of study cover a variety of modes and media from different national contexts reaching from print folders over online written texts to YouTube videos and movies [Common Law Legal English and Grammar](#) Alison Riley,Patricia Sours,2014-06-26 Lord Denning an influential but controversial English judge stated that Words are the lawyer s tools of trade This course book reflects that conviction as it focuses on words the language of the law legal terms expressions and grammar introduced systematically with relevant aspects of the law and examined in context through analytical reading

activities based on original legal texts selected for their interest and importance in different branches of the common law system This book explores constitutional law criminal law tort and contract yet includes international legal contexts with a particular focus on human rights and European law The presentation of legal concepts and terminology in context in each chapter is graded so that the course progresses building on the vocabulary and law encountered in earlier chapters Each chapter organized thematically includes a series of activities tasks to complete yet the book does not presuppose previous knowledge of legal English or of the common law full answer keys and reflective commentary on both legal and linguistic aspects are given and sections marked Advanced offer especially challenging materials Consolidation sections are designed to test students global comprehension of the legal texts analysed including precise usage of legal vocabulary in context with solutions Common Law Legal English and Grammar is addressed to the non native speaker of English and in particular intermediate to advanced students who are studying law or academics with a professional interest in Anglo American law Practising lawyers will also find that the book offers valuable analysis of the language of legal documents Please note this book is not available for purchase in Italy Dimensions of Forensic Linguistics John Gibbons, M. Teresa Turell, 2008 This volume functions as a guide to the multidisciplinary nature of Forensic Linguistics understood in its broadest sense as the interface between language and the law It seeks to address the links in this relatively young field between theory method and data without neglecting the need for new research questions in the field Perhaps the most striking feature of this collection is its range strikingly illustrating the multi dimensionality of Forensic Linguistics All of the contributions share a preoccupation with the painstaking linguistic work involved using and interpreting data in a restrained and reasoned way *The Legal English Course Book Vol. II* Larissa Wyss, Kathrin Weston Walsh, 2018-10-17 **Introduction to Legal English** Mark E.
