World Series Near Me Returns:

Return of the Titans Robin Burks,2016-03-05 Life hasn't been easy for Alex Grosjean since she became Oracle to the gods. Things get even more complicated when the elder gods, the Titans, give her an ultimatum that forces her to decide if she should save the world or only save those she loves. When Alex makes her choice, can she live with the consequences?

Return to Summers Run James Cotton,2012-05-23 Those who know Pennsylvania explain runs as spring-fed streams coursing down the ravines and winding across the waiting meadows. Runs are claimed by boys, welcomed by the beasts. This is the story of one Summers Run, a neighborhood where two families are linked by history, marriage, war, and contemporary life. Narrated by Claude Kinkade at age twelve and from his perspective of twenty years later, *Return to Summers Run* continues his journey begun in *Summers Run: An American Boyhood*. The fortunes of Shadeland, his departed father's ancestral home, loom large as the Kinkades face the economic realities of living on the land. As a newly minted farm boy, Claude senses the shadow of his father following him. Then, leaving crops and cows behind, he samples life in Las Vegas where his mother deals with a new marriage and its expectations. Little League Baseball there proves disappointing but offers important lessons. Claude exploits once he returns to P.A. Summers Run and the Pickett Township Panthers. As the Panthers climb the pinnacle of their second season, Claude and his teammates experience the magic of baseball plus the mysteries of life and loss surrounding them.

You Can't Return Home Except Through Photographs and Memory Marques Vickers,2017-03-03 Author Marques Vickers returns to his hometown of Vallejo, California, with his memoir *You Can't Return Home Except Through Photographs and Memory*. The personal narrative traces his formation within a community that through his eyes has slipped a notch from both the middle class and affluence. Vickers employs a light but candid tone on a gravely perceived subject: Vallejo's regressive deterioration. The suburban San Francisco Bay Area town of 120,000 was formerly the California State Capital twice and home to the Mare Island Naval Shipyard. The base closed in 1996, creating an employment void that prompted stagnation within the downtown core. Vickers was raised locally during the 1960s-70s. He traces the specific causes for decline as the proliferation of long-simmering racial tensions, homelessness, aggressive criminality, and drug trafficking. Returning in 1987 as an adult following a twelve-year absence, he was struck by the town's smallness of scale. In spite of the successful recruitment of Marine World Africa USA in 1986, the addition has not elevated Vallejo into a desirable extended stay tourist destination. He observes that seemingly for every positive step forward, the city tends to relapse two steps backwards. Despite the deterioration, most Vallejoans he knows are proud of their grounded heritage. His text is far from bleak and bitter. He cites the town's distinctiveness, attractions, and diversity that positively impacted his personal development. His photo compilation was prompted by a return for the funeral service of a 90-year-old friend, Andy, who died on New Year's Day 2017. Andy, a former longtime resident, avoided local visitations, noting the degenerating conditions from his residence in adjacent Benicia. The author's own series of memories were exhumed at the same time as the body of his friend was being

lowered into the ground for burial Vickers surveys the present tense community with his camera lens portraying a bittersweet reality Although he cannot overlook the obvious he hopes the current downtown may ultimately be viewed as an isolated puzzle piece fitting into a larger positive legacy Balancing his criticism with objectivity humor and insight Vickers attempts to accurately portray a subject he mourns and knows intimately **Electrical World** ,1928 **Television Western Players, 1960-1975** Everett Aaker,2017-06-08 This biographical encyclopedia covers every actor and actress who had a regular role in a Western series on American television from 1960 through 1975 with analyses of key players The entries provide birth and death dates family information and accounts of each player's career with a cross-referenced videography An appendix gives details about all Western series network or syndicated 1960-1975 The book is fully indexed Time Briton Hadden, Henry Robinson Luce, 1927 Reels for 1973 include Time index 1973 *Greater St. Louis* ,1926 **Return to Nature** Adolf Just, 1912 Return of the Court Jesters Peter V.
