## **California A History Kevin Starr Soucon:**

California Kevin Starr, 2007-12-18 A California classic California it should be remembered was very much the wild west having to wait until 1850 before it could force its way into statehood so what tamed it Mr Starr's answer is a combination of great men great ideas and great projects The Economist From the age of exploration to the age of Arnold the Golden State's premier historian distills the entire sweep of California's history into one splendid volume Kevin Starr covers it all Spain's conquest of the native peoples of California in the early sixteenth century and the chain of missions that helped that country exert control over the upper part of the territory the discovery of gold in January 1848 the incredible wealth of the Big Four railroad tycoons the devastating San Francisco earthquake of 1906 the emergence of Hollywood as the world's entertainment capital and of Silicon Valley as the center of high tech research and development the role of labor both organized and migrant in key industries from agriculture to aerospace In a rapid fire epic of discovery innovation catastrophe and triumph Starr gathers together everything that is most important most fascinating and most revealing about our greatest state Praise for California A fast paced and wide ranging history Starr accomplishes the feat with skill grace and verve Los Angeles Times Book Review Kevin Starr is one of California's greatest historians and California is an invaluable contribution to our state's record and lore Marla Shriver journalist and former First Lady of California A breeze to read San Francisco

**Kevin Starr's 5-Volume History of California** Adjunct Professor of History Kevin Starr, Kevin Starr, 1997-09 Kevin Starr's California Dream series has evolved into something much richer and more significant than Starr could reasonably have expected when he began The Atlantic The set includes Americans and the California Dream Inventing the Dream Material Dreams Endangered Dreams and The Dream Endures Golden Dreams Kevin Starr, 2009-09-10 A narrative tour de force that combines wide ranging scholarship with captivating prose Kevin Starr's acclaimed multi volume Americans and the California Dream is an unparalleled work of cultural history In this volume Starr covers the crucial postwar period 1950 to 1963 when the California we know today first burst into prominence Starr brilliantly illuminates the dominant economic social and cultural forces in California in these pivotal years In a powerful blend of telling events colorful personalities and insightful analyses Starr examines such issues as the overnight creation of the postwar California suburb the rise of Los Angeles as Super City the reluctant emergence of San Diego as one of the largest cities in the nation and the decline of political centrism He explores the Silent Generation and the emergent Boomer youth cult the Beats and the Hollywood Rat Pack the pervasive influence of Zen Buddhism and other Asian traditions in art and design the rise of the University of California and the emergence of California itself as a utopia of higher education the cooling of West Coast jazz freeway and water projects of heroic magnitude outdoor life and the beginnings of the environmental movement More broadly he shows how California not only became the most populous state in the Union but in fact evolved into a mega state en route to becoming the global commonwealth it is today Golden Dreams continues an epic series that has been widely recognized for

its signal contribution to the history of American culture in California It is a book that transcends its stated subject to offer a wealth of insight into the growth of the Sun Belt and the West and indeed the dramatic transformation of America itself in these pivotal years following the Second World War This is the seventh volume in Kevin Starr s widely acclaimed and monumental history of California Americans and the California Dream It covers the crucial postwar period 1950 to 1963 when much of what has become California as we know it today was brought into existence As in previous volumes Starr brilliantly illuminates the dominant economic social and cultural forces in California in these years Among the topics discussed are the suburbanization of California with emphasis on the San Fernando Valley Orange County the San Francisco Peninsula and Marin County life style and the novels that reflected it the rise of San Diego the Golden Age of San Francisco with its cultural roots and influential minorities Los Angeles the Chandlers the Music Center the Dodgers and its special lifestyle defense industries Cold War think tanks Palo Alto and the creation of the transistor and later the computer industry the new California Multiversity and its director Clark Kerr public works with special emphasis on the burgeoning of freeways and cultural events and happenings including jazz the Beats the Hollywood rat pack Sinatra and friends and the flowering of Palm Springs youth culture and Zen California Coast of Dreams Kevin Starr,2006-05 This contemporary history of California covers everything from surfing to computing from New Age to defence contracting from Hollywood to homeboys

*California!* Kevin Starr,1980 Presents the geography history people economy and culture of the Golden State Each chapter includes a summary words for study and questions designed for review thought and discussion *California History* ,1991 Coast of Dreams Kevin Starr,2011-06-22 In this extraordinary book Kevin Starr widely acknowledged as the premier historian of California the scope of whose scholarship the Atlantic Monthly has called breathtaking probes the possible collapse of the California dream in the years 1990 2003 In a series of compelling chapters Coast of Dreams moves through a variety of topics that show the California of the last decade when the state was sometimes stumbling sometimes humbled but more often flourishing with its usual panache From gang violence in Los Angeles to the spectacular rise and equally spectacular fall of Silicon Valley from the Northridge earthquake to the recall of Governor Gray Davis Starr ranges over myriad facts anecdotes news stories personal impressions and analyses to explore a time of unprecedented upheaval in California Coast of Dreams describes an exceptional diversity of people cultures and values an economy that mirrors the economic state of the nation a battlefield where industry and the necessities of infrastructure collide with the inherent demands of a unique and stunning natural environment It explores California politics including Arnold Schwarzenegger s election in the 2003 recall the multifaceted business landscape and controversial icons such as O J Simpson Historians of the future Starr writes will be able to see with more certainty whether or not the period 1990 2003 was not only the end of one California but the beginning of another in the meantime he gives a picture of the place and time in a book at once sweeping and riveting in its details deeply informed engagingly personal and altogether fascinating *Americans and the California*

*Dream* Kevin Starr, 1981 Written by a native San Franciscan who combines a moving and expressive style with the objective eye of the scholar Professor Starr's chronicle will appeal to all those who relish American history set forth in vivid detail and enriched with insight

**Inventing the Dream** Kevin Starr, 1985 This second volume in Kevin Starr's passionate and ambitious cultural history of the Golden State focuses on the turn of the century years and the emergence of Southern California as a regional culture in its own right How hauntingly beautiful how replete with lost possibilities seems that Southern California of two and three generations ago now that a dramatically different society has emerged in its place writes Starr As he recreates the lost California Starr examines the rich variety of elements that figured in the growth of the Southern California way of life the Spanish Mexican roots the fertile land the Mediterranean like climate the special styles in architecture the rise of Hollywood He gives us a broad array of engaging and often eccentric characters from Harrison Gray Otis to Helen Hunt Jackson to Cecil B DeMille Whether discussing the growth of winemaking or the burgeoning of reform movements Starr keeps his central theme in sharp focus how Californians defined their identity to themselves and to the nation A delightful and extremely thorough chronicle of a state that is almost a mythical kingdom *St Louis Post Dispatch* An excellent book vividly written thoroughly researched rich in details and alive with interesting and sometimes incredible people *Los Angeles Times*

**California History Sesquicentennial Series**, 19?? *The Dream Endures* Kevin Starr, 1997 The fifth volume in Starr's classic history of California *The Dream Endures* shows how Californians rebounded from the Great Depression to emerge in the 1930s into what is now known as the good life Starr illustrates the ways the good life prospered in California in film fiction leisure and architecture Starr looks at the newly important places where Californians lived out this sunny lifestyle areas like Los Angeles where Hollywood lived Palm Springs where Hollywood vacationed San Diego where the Navy went the California Institute of Technology in Pasadena where Einstein changed his view of the universe and college towns like Berkeley In this more than any other of Starr's monumental California histories we see the stirrings of uniqueness in the social and cultural evolution of California Starr's theme is relevant to all of America and the national destiny Neil Morgan *San Diego Union Tribune* Enormously sensitive and moving Social and cultural history doesn't get any better *San Francisco Chronicle* In his monumental continuing study of California Kevin Starr belongs in the company of the best Herbert Gold *Los Angeles Times Book Review*

[A Companion to California History](#) William Deverell, David Igler, 2013-11-13 This volume of original essays by leading scholars is an innovative thorough introduction to the history and culture of California Includes 30 essays by leading scholars in the field Essays range widely across perspectives including political social economic and environmental history Essays with similar approaches are paired and grouped to work as individual pieces and as companions to each other throughout the text Produced in association with the Huntington USC Institute on California and the West

*California Dreaming* Ronald A. Wells, 2017-09-11 California matters both as a place and as an idea What famed historian Kevin Starr has called the California Dream is a vital part of American self

understanding Just as America was meant to be a place of renewal even redemption for Europe so too California was intended as a place of renewal for America Therefore California place and idea provides a fertile ground for scholars to think deeply about what it means to articulate the promise of American life This book follows in the train of George Marsden s classic The Outrageous Idea of Christian Scholarship believing that people of faith have a contribution to make to scholarship and of Jay Green s more recent book Christian Historiography Five Rival Views believing that scholars of faith should engage in moral inquiry In this book eight authors inquire into the moral questions that emerge from studying California **Kevin Starr Papers** Kevin Starr,1969 Coast of Dreams California on the Edge 1990 2003 Knopf 2004 Includes proposal correspondence outlines research drafts page proofs and index **Coast of Dreams** Kevin Starr,2005 Coast of Dreams is an astonishingly rich thoughtful entertaining and horrifying account of one of the most mesmerising places on earth Kevin Starr s marvellous new book allows readers to both revel in the Californian oddness but also to see the magic that has drawn in millions of people like bodybuilder turned actor turned Governor Schwarzenegger The success that has made California into one of the world s biggest economies and its great generator of culture and ideas has not been cost free and the picture that emerges from Coast of Dreams is a troubled one Contemporary Californians are caught in the middle of a period of transformation where the state struggles to understand the diversity of its people the confusions of its values and customs the loss of one California and the ambiguous imposition of a new and uncharted identity **This Day in California History** Carl Palm,2008 The fun of threading the detail of history together the way it is done in this book with a significant event from California s history listed for every day of the year is that much that might not find its way into a more traditionally written history can be brought into the sweep of the story It also broadens the reader s view of just what history is and exposes a wealth of information that is interesting in and of itself Professor Kevin Starr of the University of Southern California one of the world s leading authorities on California history described Carl Palm s first book The Great California Story as an eclectic idiosyncratic and always lively foray into the complexities of the California experience This new book is in the same vein adding new and fascinating detail to the author s ever evolving vision of what California is all about **Redemptive Dreams** Jason S. Sexton,2023 An essential piece in California studies Redemptive Dreams Engaging Kevin Starr s California offers the first critical engagement with the vision of California s most ambitious interpreter With contributions from sociology history and theology Redemptive Dreams offers interdisciplinary perspectives that highlight key features inherent to interdisciplinary theological reflection on place and illuminates these diverse disciplinary discourses as they appear in Starr s articulation of the California Dream Such a vision remains important for reckoning with California s place in the world **California** Captivating History,2021-06-06 Three manuscripts in one book History of California The California Gold Rush 1906 San Francisco Earthquake **California History** ,1998 **California** Andrew F. Rolle,1969

## Unveiling the Magic of Words: A Report on "**California A History Kevin Starr Soucon**"
