Nigerian Capitalism Sayre P. Schatz, 2024-06-14 Following a surge in oil revenues in the 1970s Nigeria became one of Africa's most rapidly developing nations In *Nigerian Capitalism* Sayre P Schatz analyzes the country's political economy assessing its position and proposing a development plan for the final quarter of the twentieth century Referring to Nigeria's economic development strategy as nurture capitalism Sayre contrasts the role of private enterprise which is expected to foster growth of the productive sector of the economy with the government's role which is to nurture the capitalist sector generally and to favor indigenous enterprise in particular The author examines the development of Nigerian nurture capitalism from 1949 to the launching of and early experience with the Third Plan 1975-80 with emphasis on the post civil war 1970s He then turns to an intensive study of indigenous business and possible impediments to the development of

Nigerian private enterprise analyzing the role of capital availability entrepreneurship and the economic environment Sayre demonstrates that there are substantial divergences between private profitability and social utility and that there is an abundance of socially useful investment possibilities for indigenous businessmen The author next turns to a study of the government business assistance programs and their economic administrative and political characteristics Finally he assesses the sources of successful investment and makes a case for enhanced socially useful investments Comparing pragmatic developmentalism pragmatic socialism and thoroughgoing socialism he proposes a pragmatic orientation that postpones ideological decisions as long as practicable This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977 Towards an Integrated Development of the

Shell Petroleum Development Company, the State and Underdevelopment of Nigeria's Niger Delta Daniel A. Omoweh, 2005 State, Class and Underdevelopment in Nigeria and Early Meiji Japan Sakah Saidu Mahmud, 2016-07-27 This book compares the social processes that explain Japanese development beginning with the Meiji Restoration in 1868 with similar processes in post independent Nigeria in its effort to achieve capitalist development Before the Restoration and independence both Japan and Nigeria lacked any prospects for further development Japan however pursued fundamental social transformations of society leading to capitalist development whereas Nigeria following independence has lacked any transforming ideals resulting in underdevelopment and social stagnation **Declining Hegemonical Foreign Policies of Nigeria** Sheriff F. Folarin, 2024-05-02 This book examines Nigeria's declining political hegemony in Africa between 1985 and 2022 a period characterised by dramatic internal political social and economic downturns that negatively affected her image and international relations The study traces the country's shifting leadership and foreign policies through different eras Chapters analysing Nigerian foreign policy internal dynamics ideology her military and civilian rule and how these played out

in Nigeria's regional influence paint a holistic politico-historical portrait of a nation in hegemonic decline from 1989 continuing into the present day. Deploying National Role Conception as an analytical tool to contextualise and dissect Nigerian foreign policy, this book deepens our understanding of Nigerian international relations and challenges preconceptions as to how and through what lens foreign policies of declining states can and should be considered. Through its approach, the book offers scholars, students, researchers, and policymakers fresh perspectives and tools for analysing foreign policies of states, particularly Nigeria.

Environment and Economics in Nigeria Toyin Falola, Adam Paddock, 2012-05-23

This volume gathers contributors across a wide range of disciplines to explore the relationship between the environment, economics, and development in Nigeria from the twentieth century to the present, examining issues such as violence, health, and contemporary concerns about sustainability and conservation. It sheds light not just on the environmental history of Nigeria, a crucial paradigmatic case in its own right, but also offers insights into these issues as they manifest themselves throughout the developing world.
