Notable American Women with Czechoslovak Roots Miloslav Rechcigl Jr.,2019-09-16 Even though there exist only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role

Mormon Women Have Their Say Sherrie L. M. Gavin,Elizabeth J. Mott,Allison Keeney,Susan Woster,Pamela Lindsay Everson,Susan Robison,Lisa Thomas Clayton,Elisa Eastwood Pulido,Amy Hoyt,Taunalyn Ford Rutherford,David Golding,Anna Terry Rolapp,2013-03-01 The Claremont Women s Oral History Project has collected hundreds of interviews with Mormon women of various ages experiences and levels of activity These interviews record the experiences of these women in their homes and family life their church life and their work life in their roles as homemakers students missionaries career women single women converts and disaffected members Their stories feed into and illuminate the broader narrative of LDS history and belief filling in a large gap in Mormon history that has often neglected the lived experiences of women This project preserves and perpetuates their voices and memories allowing them to say share what has too often been left unspoken The silent majority speaks in these records This volume is the first to explore the riches of the collection in print A group of young scholars and others have used the interviews to better understand what Mormonism means to these women and what women mean for Mormonism They explore those interviews through the lenses of history doctrine mythology feminist theory personal experience and current events to help us understand what these women have to say about their own faith and lives
