30 full and 3 short papers presented in these proceedings were carefully reviewed and selected from 99 submissions The
papers presented in this volume cover a broad range of topics ranging from works that ground information system design on
social concepts to papers that analyze complex social systems using computational methods or explore socio technical
systems using social sciences methods **Corporate Valuation** Robert Holthausen, Mark Zmijewski, 2025-08-14 We wrote
this book to equip our students as well as practitioners many of whom are our former students with the current knowledge
used to value companies parts of companies and the securities issued by companies Our goal is to provide current conceptual
and theoretical valuation frameworks and translate those frameworks into practical approaches for valuing companies We
present the research and descriptive data underpinning these frameworks and use detailed examples to demonstrate how to
implement them often using data from real companies Corporate Valuation Theory Evidence Practice has been the industry
standard on valuation for over two decades well before it was widely available The corporate valuation course based on this
book is one of the few unstated requirements for graduates of The Wharton School that hope to enter into the field of finance
Having hired dozens of Wharton alumni who have learned valuation from this book I cannot imagine a more thorough guide

graduate and undergraduate courses in valuation Given the detailed approach it is also a useful book for practicing
professionals We have been using this material in both valuation based finance and accounting M B A classes at Chicago
Booth and Wharton as well as in undergraduate finance classes at Wharton for many years Although primarily serving as a
text in courses that teach valuation the book can also serve as a background book for case based courses that include cases
on valuation leveraged buyouts and mergers and acquisitions The book can also be used as a field guide for those who
engage in valuation work We know that many of our former students refer to our writings in their work involving valuation
