Hacking Digital: Best Practices to Implement and Accelerate Your Business Transformation Michael Wade, Didier Bonnet, Tomoko Yokoi, Nikolaus Obwegeser, 2021-09-28

Improve your business performance through digital transformation. Digital transformation has become commonplace across public and private sector organizations and yet most struggle to achieve tangible results from it. Many make avoidable mistakes or fall into simple traps along the way. Written by a team of global digital transformation thought leaders, Hacking Digital provides practical advice and information that you need to successfully transform your organization. Hacking Digital is organized into six easy to follow sections: Initiating Your Digital Transformation, Setting Up the Right Organizational Dynamics, Working with the Outside World, Creating Value in New Ways, Leading People and Organizations, Anchoring and Sustaining Performance. How do you create a sense of urgency? How do you set up digital governance? How do you create successful digital offerings? How do you manage the relationship between digital transformation and IT? How do you scale digital initiatives? Hacking Digital answers these and many other questions you need to transform your organization and seize a competitive edge for years to come. www.hackingdigital.org

Can't Fight It Smartypants Romance, Allie Winters, 2023-05-02

Mousy bookworm Psychology nerd. The kind of girl who constantly sticks her foot in her mouth. The last thing I am is the type to attract the intimidating motorcycle riding guy in the apartment next door. Especially when that mouth of mine gets me in trouble and he overhears me talk smack about him. So no one's more surprised than me when he shows up as a participant in the psych study I'm running on campus. Or when he generously offers me some much needed self defense lessons. Or when we grow closer than I thought possible. It turns out some people aren't at all what they seem at first glance. They can actually be everything you never knew you wanted in a man. The thing is Austin Langford is so far out of my league it's laughable. Muscled boxers don't go for nobodies like me. I need to forget about this one-sided attraction. Even when it feels like I can't fight it.

Can't Fight It is a full length contemporary romance and can be read as a standalone. Book 3 in the Lessons Learned series. Educated Romance World. Penny Reid Book Universe
