THIS LAND WAS THEIRS

A Study of Native North Americans

WENDELL H. OSWALT

This Land Was Theirs Americans

Henry Goddard Leach

This Land Was Theirs Americans:

This Land was Theirs Wendell H. Oswalt,1973 Contains chapters on the Chipewyan the Caribou and Kuskowagamiut Eskimos and the Tlingit *Finnish Settler Colonialism in North America* Rani-Henrik Andersson,Janne Lahti,2022-12-29 Finnish Settler Colonialism in North America reinterprets Finnish experiences in North America by connecting them to the transnational processes of settler colonial conquest far settlement elimination of natives and capture of terrestrial spaces Rather than merely exploring whether the idea of Finns as a different kind of immigrant is a myth this book challenges it in many ways It offers an analysis of the ways in which this myth manifests itself why it has been upheld to this day and most importantly how it contributes to settler colonialism in North America and beyond The authors in this volume apply multidisciplinary perspectives in revealing the various levels of Finnish involvement in settler colonialism In their chapters authors seek to understand the experiences and representations of Finns in North American spatial projects in territorial expansion and integration and visions of power They do so by analyzing how Finns reinvented their identities and acted as settlers participated in the production of settler colonial narratives as well as benefitted and took advantage of settler colonial structures Finnish Settler Colonialism in North America aims to challenge traditional histories of Finnish migration in which Finns have typically been viewed almost in isolation from the broader American context not to mention colonialism The book examines the diversity of roles experiences and narrations of and by Finns in the histories of North America by employing the settler colonial analytical framework
