**Underdevelopment, Development and the Future of Africa** Mawere, Munyaradzi, 2017-02-10 In view of the resilience of Africa's underdevelopment what do Africans make of their determined aspirations for development The continent of Africa has constantly drawn global attention most especially for both human and natural evils Underdevelopment it appears is one of the most eminent threatening evils It has plunged and promises to maintain the majority of Africa in abject poverty insecurity and vulnerability What perpetuates the ghost and gory of underdevelopment in Africa despite a proliferation of development rhetoric and initiatives How do ordinary Africans react to repeated talk and claims of development with little evidence of transformation for the better in their material circumstances This book interrogates the tenacity of underdevelopment amid calls for Africa to rise from its slumber and reclaim its position in global affairs as the mother continent of humankind It contributes to the ongoing debates on why Africa remains trapped in the clutch of underdevelopment many decades after the purported end of colonialism The book comes at a critical time in human history a time when the talk on Africa's underdevelopment is louder due to the ravages of economic downturns and dysfunctional conflicts It poses a challenge to development practitioners civil society activists statesmen economists political scientists and theorists to rethink and reconsider their role as technocrats experts and ambassadors of positive change in Africa and the world beyond

**Entrepreneurship, Innovation and Sustainable Growth** Nader H. Asgary, Emerson A. Maccari, 2019-10-30 Entrepreneurship and innovation play a vital role in fostering sustainable development Advances in technology and communications have both transformed the process of business as well as strengthened the role of entrepreneurship in developed and developing countries This important book is the first to provide the fundamental concepts and applications for faculty and students in this field and also serves as a professional reference for practicing entrepreneurs and policymakers Each chapter provides a clear guide to the conceptual and practical elements that characterize entrepreneurship and the process of new venture formation including functional strategies in key areas such as marketing information technology human resources management and accounting and finance Questions and exercises are presented throughout in order to encourage discussion and problem solving A quick summary of the important concepts and definitions are also provided Keeping practicality as the book's core aim all chapters include a long case study to set the scene and then draw upon shorter cases from both developing and developed countries to reinforce key learning objectives and the real world application of the book's core concepts

**Examining Corruption and the Sustainable Development Goals** Yakubu, Ibrahim Nandom, 2024-03-18 In global development corruption entangles many societies most observably in the vulnerable fabric of developing nations Examining Corruption and the Sustainable Development Goals unravels the layers of this persistent challenge meticulously examining its pervasive influence on pursuing the United Nations Sustainable Development Goals SDGs This book ventures into the heart of corruption's impacts spanning economic social political and

environmental dimensions Corruption manifesting in insidious forms such as bribery embezzlement and nepotism casts a daunting shadow over the integrity of public institutions eroding public trust crucial for sustainable development initiatives This book explores case studies robust theoretical frameworks and insightful policy perspectives It is tailored for an audience within the academic research community scholars researchers policymakers and development practitioners thirsty for an understanding of the complex interplay between corruption and sustainable development in the developing world

Principles of Macroeconomics 3e David Shapiro, Daniel MacDonald, Steven A. Greenlaw, 2024-08-23 Also available as audiobook Principles of Macroeconomics 3e covers the scope and sequence of most one semester introductory macroeconomics courses The third edition takes a balanced approach to the theory and application of macroeconomics concepts The text uses conversational language and ample illustrations to explore economic theories and provides a wide array of examples using both fictional and real world scenarios The third edition has been carefully and thoroughly updated to reflect current data and understanding as well as to provide a deeper background in diverse contributors and their impacts on economic thought and analysis For example the third edition highlights the research and views of a broader group of economists Brief references and deeply explored socio political examples have also been updated to showcase the critical and sometimes unnoticed ties between economic developments and topics relevant to students This is an adaptation of Principles of Macroeconomics 3e by OpenStax You can access the textbook as pdf for free at openstax.org Minor editorial changes were made to ensure a better ebook reading experience This is an open educational resources OER textbook for university and college students Textbook content produced by OpenStax is licensed under a Creative Commons Attribution 4.0 International License

Contemporary Perspectives on Art and International Development Polly Stupples, Katerina Teaiwa, 2016-10-26 Visual artists craftspeople musicians and performers have been supported by the development community for at least twenty years yet there has been little grounded and critical research into the practices and politics of that support This new Routledge book remedies that omission and brings together varied perspectives from artists policy makers and researchers working in the Pacific Africa Latin America and Europe to explore the challenges and opportunities of supporting the arts in the development context The book offers a series of grounded analyses which cover strategies for the sustainability of arts enterprises innovative evaluation methods theoretical engagements with questions of art agency and social change artists entanglements with legal and structural frameworks processes of cultural mapping and the artist donor interface The creative economy is increasingly recognized as a driver of development and this book also investigates the contribution made by the arts to the processes of international development and considers how those processes can best be supported by development agencies Contemporary Perspectives on Art and International Development gives scholars of Development Studies Social and Cultural Geography Anthropology Cultural Policy Cultural Studies and Global Studies a contextually and thematically diverse range of insights into this emerging research field

Principles of Economics Volume

2 of 2 Textbook Equity Edition,2014-03-31 This is Volume 2 of 2 covering Chapters 24 34 and the appendices See [www textbookequity org](http://www.textbookequity.org) principles of economics Excerpt Principles of Economics is designed for a two semester principles of economics sequence The text has been developed to meet the scope and sequence of most introductory courses At the same time the book includes a number of innovative features designed to enhance student learning Instructors can also customize the book adapting it to the approach that works best in their classroom The pedagogical choices chapter arrangements and learning objective fulfillment were developed and vetted with feedback from educators dedicated to the project They thoroughly read the material and offered critical and detailed commentary The outcome is a balanced approach to micro and macro economics to both Keynesian and classical views and to the theory and application of economics concepts Current events are treated in a politically balanced way as well

*Forthcoming Books* Rose Army,1981 *The Business Environment* Paul Wetherly,Dorron Otter,2008 Designed specifically for students new to the study of business this book gives context to the subject in the range of environments in which business operates Part One introduces the environments through the well used PESTLE framework this structure ensures that the core political economic socio cultural technological legal and environmental influences on business are fully covered A range of themes is clearly presented in each chapter to ensure this approach does not over simplify the presentation of the business environment These themes are designed to demonstrate to the reader that business is diverse and complex and there are many inter relationships between the environments The themes also outline the factors which influence business for example the diversity of business the complexity of the external environment and the interaction between business and its environment Part Two departs from the PESTLE framework and focuses on a range of contemporary issues relevant to each environment this enables the reader to access the theory through lively current debates These include the changing public sector corporate social responsibility and ethics globalization and work life balance There are interesting short cases and examples throughout as well as a longer case study at the end of each chapter cases include the Nintendo Wii BlackBerry Nike eBay Nokia EasyJet Toyota and the 2012 Olympics The analytical approach the text takes showing different opinions and perspectives and challenging key issues will stimulate lively discussion and debate Online Resource Centre A comprehensive Online Resource Centre provides all the teaching and learning materials needed to support each chapter removing the need for lecturers to look for additional seminar and test materials and giving students the resources they need to check and build upon their understanding Lecturers can track students progress and understanding using an online test bank of 300 questions offering immediate answers that can be customised and loaded on to the university s VLE Seminar activities can be based around the additional online case studies whilst lecturer s notes with outline answers and discussion points to accompany the review questions in the text provide a framework for class debate Students can test themselves using online multiple choice questions with feedback or the online flashcard glossary Weblinks to useful sites provide a quick resource for further research and web

exercises guide the student to specific articles on the web accompanied by questions to stimulate critical thinking
