appears that after every murder an extra layer is added to it It also appears that the humane side of a serial killer dies a little more with every killing Do you want to learn more about serial killers Are you interested in knowing what led them down that path If you do this book does a great job of looking at what drove the different people to serial killers It is important to note that nothing justifies taking life but rather we try to look at what made sense in the eyes of the serial killer to do what they did and with no remorse for their actions Here Is A Sneak Peek Of What You Will Learn Wayne Gacy The Molester And Killer Of Boys Edward Theodore Gein Dr Harold Shipman The Killer Doctor Compilation And Linking Of The Mental States And Tics Of These Serial Killers And Much Much More Interesting Facts Do Not Wait Any Longer And Get This Book For Only 7 99

**Confession of a Serial Killer** Katherine Ramsland, PhD,2016-09-06 In 1974 Dennis Lynn Rader stalked and murdered a family of four in Wichita Kansas Since adolescence he had read about serial killers and imagined becoming one Soon after killing the family he murdered a young woman and then another until he had ten victims He named himself B T K bind torture kill and wrote notes that terrorized the city He remained on the loose for thirty years No one who knew him guessed his dark secret He nearly got away with his crimes but in 2004 he began to play risky games with the police He made a mistake When he was arrested Rader s family friends and coworkers were shocked to discover that B T K had been among them going to work raising his children and acting normal This case stands out both for the brutal treatment of victims and for the ordinary public face that Rader a church council president had shown to the outside world Through jailhouse visits telephone calls and written correspondence Katherine Ramsland worked with Rader himself to analyze the layers of his psyche Using his drawings letters interviews and Rader s unique codes she presents in meticulous detail the childhood roots and development of one man s motivation to stalk torture and kill She reveals aspects of the dark motivations of this most famous of living serial killers that have never before been revealed In this book Katherine Ramsland presents an intelligent original and rare glimpse into the making of a serial killer and the potential darkness that lives next door **Serial Killers**

**Volume 2** Jack Smith,2015-10-15 Serial killers fascinates Extreme cases even more so In Volume 2 of Jack Smith s series Serial Killers we explore some new cases of true crime stories of little known serial killersSerial killers are big business From the endless books films and television programs to the fascination of the twenty four hour news networks there is something about these mass murderers that catches the eye and catches the attention While many people are familiar with the better known killers like John Wayne Gacy or Jack the Ripper this is not the end of the story There are so many examples of serial killers from around the world that many of them have simply been forgotten about But that does not make their crimes any less serious Instead some of these serial killers committed heinous acts above and beyond those we have come to expect when thinking about the worst psychopaths in living memory In cases such as these the truth is often stranger than fiction For every Hannibal Lecter or Norman Bates the murders committed by the people detailed in this book are often more extreme violent and off putting than anything you might find in fiction As we delve further and further into the book we will

begin to see not only the extremities of the crimes but the difficulty that the authorities face when trying to catch a killer. With so many serial killers on the record books of human history it is a wonder that we have caught as many as we have. Even in the cases where no one has ever been arrested for the crimes we can learn a lot about the mind sets of the individuals involved. As we travel further into the minds of the forgotten serial killers we will not only learn more about what turns people into violent mass murderers but we will learn how these individuals are shaped and treated by society. The morbid fascination we have with serial killers is matched only by the violence of the crimes in question. So read on and find out more about history's forgotten serial killers. Inside find fascinating cases such as The son of a candy factory owner who carried out the Houston Mass Murders, The Mexican murderer who preyed on migrant farm workers, The man who would strangle women and leave their bodies beneath the bed. And many more. Scroll back up and order your copy today.
