Punishments to Love

**ALFIE KOHN**

"Powerful alternatives to help children become their most caring, responsible selves."

—Adele Faber, coauthor of *How to Talk So Kids Will Listen* . . .

# Unconditional Parenting

**Dr. Mattie L. Solomon**

## **Unconditional Parenting:**

*Unconditional Parenting* Alfie Kohn, 2006-03-28 The author of *Punished by Rewards* and *The Schools Our Children Deserve* returns with a provocative challenge to the conventional ways of raising children Kohn argues that all children have the need to be loved unconditionally yet conventional approaches to parenting such as punishment and reward teach children that they are loved only when they please and impress parents Kohn cites powerful research detailing the damage this can cause Unconditional Parenting pushes parents to question their ideas of parenting and offers practical solutions to problems

**Unconditional Parenting** James Stark, 2018-03-25 One basic need all children have Kohn argues is to be loved unconditionally to know that they will be accepted even if they screw up or fall short Yet conventional approaches to parenting such as punishments including time outs rewards including positive reinforcement and other forms of control teach children that they are loved only when they please us or impress us Kohn cites a body of powerful and largely unknown research detailing the damage caused by leading children to believe they must earn our approval That's precisely the message children derive from common discipline techniques even though it's not the message most parents intend to send
