Ron Swanson  
Hiring Manager  
ABC Corporation  
456 Avenue B  
City Name, ST 12345

Dear Ron Swanson:

My name is Joe Dots, and I came across your posting for the front end developer position on [www.sweethomework@joe.net](http://www.sweethomework@joe.net). I have a Master's in Computer Science from Arizona State University, as well as seven years of experience as a front end developer. I would love to tell you why I am a great fit for the front end developer position at ABC Corporation.

I have built everything from static websites using existing CSS frameworks and Javascript libraries to in-depth web apps using custom CSS frameworks and tailored interactive Javascript components for startups and Fortune 500 companies during my career. I have worked in the Scrum development method for the past three years, so I am comfortable working in a fast paced environment.

I recently read that ABC Corporation is planning to expand into building web applications. My experience as a web app developer, coupled with my leadership skills, will be a great asset in helping ABC Corporation reach its goals. I am comfortable mentoring junior developers, and I'm open to learning from seniors developers and architects. Along with the team ABC Corporation has assembled, we can truly create amazing software solutions to make the world a better place.

I look forward to speaking with you about how I can benefit ABC Corporation as a front end developer. Feel free to contact me by phone or email to set something up.

Sincerely,

Joe Dots
