Moving In Teresa Binford, 2022-11-03 The day a young widow with all her friends along the way some two-legged and others with four legs Commonweal, 1925 **Mac** Mary Kellogg Johnson, 1895 **All Around** Rick Steber, This true contemporary story reads like pages ripped from a dime novel All Around rodeo cowboy Mac Griffith is gunned down after a barroom brawl The shooter is arrested and charged with murder At the ensuing trial a cast of truly colorful western characters parade to the witness stand It is their testimony what they have to say and what they are not allowed to say that leads the jury to make its ultimate decision After a half century this case is revisited and this time those involved in the shooting tell all the graphic details of what happened why it happened and what has played out in the aftermath And you the reader have the opportunity and perhaps the responsibility and obligation to examine the testimony and facts of the case and come to a decision on whether a guilty man was allowed to walk free or was the man who pulled the trigger acting within his constitutional rights when he stood his ground and took the life of another man The final decision will be up to you the 13th juror **Hours of refreshing, tr.
