**Don't Stick Your Dick in a Blender** Jonathan Roseland, 2025-09-09 Women are dangerous Good yet naive men routinely wreck their lives because they stick their dick in a blender having sex with the wrong kinds of women STDs unplanned pregnancies false accusations mental health headcases and divorce make chasing skirts a dangerous game While lesser men retreat from the pursuit of women into the pixel powered pleasure world you have faith that your hunt for a virtuous woman will be fruitful You can't take a time machine back to a more decent age to find a marriageable woman You're not ready to give up on your genetic purpose and start banging sex robots but you're tired of the transient meaningless flings with mediocre women You're likely underestimating just how risky sex a relationship or marriage is with the modern woman But you're also underestimating just how rewarding it is to win the commitment of a nice girl a truly feminine woman not at war with the natural order and intertwine your essence with hers Don't Stick Your Dick in a Blender is an irreverent politically incorrect exposition of the state of dating in the current year And a playbook of counter intuitive approaches advanced social dynamics lifehacks along with filtering strategies for avoiding the time wasters and inglorious skanks How to meet a nice girl Meeting a wife material woman Yes it's still possible Dating post COVID 19 The global pandemic plandemic has changed the game you must adapt The truth about marrying an exotic foreign woman Is it for you Online dating Navigating the digital minefield of fakers flakes liars and scams Mindset demystified Deprogramming the mainstream and counter culture mindsets that cost you love Dating abroad How to do it without getting royally screwed Avoiding the friend zone Advanced persuasion and sexual signaling methods Seducing a virgin Why this really matters and how to do it Eliciting yielding Yin energy Inspiring a woman to adopt your values Cultivating her devotion Get laid like a lover and get respect like a patriarchal provider Tantric sex hacks Up your bedroom skills with an arsenal of holistic biohacks both ancient and cutting edge for life changing sex Losing your virginity Perhaps you're a frustrated virgin or Incel disappointed with all the crappy advice about how to lose your virginity 33 steps are broken down for meaningfully losing your virginity And in these pages you'll get the red pills on dating sex and the fairer sex without the hopelessness and cynicism You'll learn about the four red flags of a blender deal breakers that should make you back away slowly from a woman You'll learn what qualifies as a virtuous woman with whom you might have a future And why there are reasons to be optimistic about finding love and even getting married one day This book is also a story of hope and redemption the memoir of a reformed pick up artist who enjoyed the decline all the way from America and Colombia to Ukraine and found edifying joy and meaning between the voluptuous thighs of a beautiful Bulgarian woman on the edge of Europe Includes 18 hour audiobook narrated by the author

**Seduction** Rachel O'Neill, 2018-07-04 Within the so called seduction community the ability to meet and attract women is understood as a skill which heterosexual men can cultivate through practical training and personal development Though it has been an object of media speculation and frequent sensationalism for over a decade this cultural formation remains poorly

understood In the first book length study of the industry Rachel O Neill takes us into the world of seduction seminars training events instructional guidebooks and video tutorials Pushing past established understandings of pickup artists as pathetic pathological or perverse she examines what makes seduction so compelling for those drawn to participate in this sphere Seduction vividly portrays how the twin rationalities of neoliberalism and postfeminism are reorganising contemporary intimate life as labour intensive and profit orientated modes of sociality consume other forms of being and relating It is essential reading for students and scholars of gender sexuality sociology and cultural studies as well as anyone who wants to understand the seduction industry s overarching logics and internal workings

Too Late, Mate? Rebeca Covers, Alex Forrest, 2019-12-21 Are you a man who has had enough of bars clubs and late nights Are you fed up with online dating This is a memoir of a lonely singleton who turned his love life around and upside down after he stumbled on DAYGAME the art of meeting and attracting women during the daytime Too Late Mate tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life In the process he had achieved the impressive feat of amassing the largest collection of female friends known to mankind whilst simultaneously failing to sleep with any one of them When all else had failed relationship counseling psychotherapy the self help book industry secret cults salsa dancing tree hugging he stumbled on a bunch of renegade dudes who were experts at the art of approaching and attracting women during the daytime So began an 18 month journey in which he met literally hundreds of girls in the street went on dozens of dates and even managed to persuade one or two of them back into his bedroom

Reviews of the 1st Edition By ZV Oct 10 2019I purchased Too Late Mate about a year and a half ago I enjoyed it very much as there are similarities to how I grew up and my experiences in with girls and school as in the book Great Read By Leigh Sep 27 2019An entertaining honest account of a middle aged man who after a lifetime of being inept at meeting and dating women stumbles across Daygame Think Crazy Stupid Love meets Dostoevsky i e a fascinating funny and sometimes painful story where the processes of learning how to overcome deep rooted beliefs about women masculinity and relationships through practical field training is described together with an introspective analysis I enjoyed this book as I think it reflects the experience of a lot of men particularly older men trying to address this area of their life I can say that the account of his journey is authentic as I m of a similar age and got into Daygame about the same time The book is professionally written which is a rarity in this genre and is equally valid as an entertaining story or a valuable reference piece By W A Feb 28 2018I loved this book One of the few books on pickup I ve ever read cover to cover Regardless of whether you re into pickup or not PUA this is an engaging come from behind hero tale told autobiographically Mr Forrest s humanity comes through in a very self effacing way as he struggles with the ups and downs of learning game later in his life His maturity and self doubt on the subject stand in sharp relief to the swagger of many PUAs whose youth and brashness consume most of the oxygen on this subject It s a bit interesting that Mr Forrest espoused filmmaking interests in

this book because it actually has all of the essential storytelling elements of the classic Hero's Journey outlined by Joseph Campbell. Christopher Vogler would make an interesting movie. IMO, one of the inherent dangers of books on this subject of seducing women is that a thorough read potentially lulls its male followers into becoming bloviating keyboard theorists, not men of action, as notions delude us into thinking that knowledge somehow supplants or equates to experience. The reason that I strongly gravitate to the work of authors YT'ers like Alex Forrest and his impish gamesome compadre Tom Torero is that they have a way of inspiring me to confront my fears and approach women in my daily life. And for those gents in their 40s or maybe more with natural fears about aging and the what-ifs of it all, this book addresses this older niche that has heretofore been all but ignored. Bravo Mr. Forrest, bravo. By Dean Craddock, Nov 7, 2017. This is a great, high-quality read detailing Alex's journey into the world of pick-up through daygame. Here is the description of that book: Are you a man who has had enough of bars, clubs, and late nights? Are you fed up with online dating? This is a memoir of a lonely singleton who turned his love life around and upside down after he stumbled on DAYGAME, the art of meeting and attracting women during the daytime. *Too Late Mate* tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered, struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life. In the process, he had achieved the impressive feat of amassing the largest collection of female friends known to mankind, whilst simultaneously failing to sleep with any one of them. When all else had failed—relationship counseling, psychotherapy, the self-help book industry, secret cults, salsa dancing, tree hugging—he stumbled on a bunch of renegade dudes who were experts at the art of approaching and attracting women during the daytime. It transpired that attracting women was not

about waiting for the one or being yourself but about taking action Indeed taking action was the key to understanding the mystery about what women found attractive So began an 18 month journey in which he met literally hundreds of girls in the street went on dozens of dates and EVEN managed to persuade one or two of them back into his bedroom All without ever going anyway near a dating website bar or nightclub A recent review on Lulu Dean 07 Nov 2017 This is a great high quality read detailing Alex s journey into the world of pick up through daygame Without wishing to give too much away he shows that you can get this part of your life handled at any age if you re willing to put in the work and be open to trying a new approach A lot of the successful PUA s almost seem untouchable when you read about them now Alex speaks to the average man about how to get started and gives hope that anyone can achieve what he has Recommended to anyone whatever your level who has any interest in this field By W A 28 Feb 2018 I loved this book One of the few books on pickup I ve ever read cover to cover Regardless of whether you re into pickup or not PUA this is an engaging come from behind hero tale told autobiographically Mr Forrest s humanity comes through MORE <https://goo.gl/4Xmw8P> **52 First Dates - Part 2** Alex Forrest, 2019-01-24 Follow Alex Forrest writer of the popular daygame memoir Too Late Mate in this 12 part series of mini books as he goes on fifty two first dates in a year in order to improve his dating skills and find a partner applying the teachings of the pick up industry in the process Alongside the entertaining stories this dating memoir also doubles up as a dating handbook and features special chapters describing in detail the methods and skills used Whereas Too Late Mate Go here to obtain the first 25 pages <http://streetstories.co.uk/product/too-late-mate> is a paperback wing to help guys to approach girls and get numbers the 52 First Dates series is a dating handbook and a journal of his dating adventures As well as telling the stories of these dates the book includes sections in which he goes into the detail of the lessons learned and lays out the skills and techniques employed During the course of 52 First Dates Alex Forrest met many of the daygame gurus such as Yad Andy Yosha Tom Torero James Tusk Jon Matrix and others many of whom he interviewed for his YouTube channel Fifty Two First Dates You can also find the vlogs and podcasts at [www.streetstories.co.uk](http://www.streetstories.co.uk) They cover the real life stories of the actual dates the successes the failures the adventures in London Russia and Poland as well as many European capitals Too Late Mate is published on [www.lulu.com](http://www.lulu.com) It charts his journey over 18 months during which he acquired the skills used to approach women during the daytime Buy the book here <https://goo.gl/4Xmw8P> Here is the description of that book Are you a man who has had enough of bars clubs and late nights Are you fed up with online dating This is a memoir of a lonely singleton who turned his love life around and upside down after he stumbled on DAYGAME the art of meeting and attracting women during the daytime Too Late Mate tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life In the process he had achieved the impressive feat of amassing the largest collection of female friends known to mankind whilst simultaneously failing to sleep with any one of them When all else had failed relationship counseling
