Uhlelo Notes:

The British Library general catalogue of printed books to 1975 British Library, 1984 **The Social and Political History of Southern Africa's Languages** Tomasz Kamusella, Finex Ndhlovu, 2017-11-21 This book is the first to offer an interdisciplinary and comprehensive reference work on the often marginalised languages of southern Africa The authors analyse a range of different concepts and questions including language and sociality social and political history multilingual government and educational policies In doing so they present significant original research ensuring that the work will remain a key reference point for the subject This ambitious and wide ranging edited collection will appeal to students and scholars of southern African languages sociolinguistics history and politics Jazz and Totalitarianism Bruce Johnson, 2016-08-12 Jazz and Totalitarianism examines jazz in a range of regimes that in significant ways may be described as totalitarian historically covering the period from the Franco regime in Spain beginning in the 1930s to present day Iran and China The book presents an overview of the two central terms and their development since their contemporaneous appearance in cultural and historiographical discourses in the early twentieth century comprising fifteen essays written by specialists on particular regimes situated in a wide variety of time periods and places Interdisciplinary in nature this compelling work will appeal to students from Music and Jazz Studies to Political Science Sociology and Cultural Theory The Transformative Power of Language Russell H. Kaschula, H. Ekkehard Wolff, 2020-09-10 Language has played a pivotal role in societal transformation in postcolonial Africa towards the creation of globally competitive knowledge societies however so far this role has been under researched and under estimated This volume addresses this gap in the literature by bringing together a team of globally recognised scholars to explore the effect of language on African postcolonial societies and how it has contributed to achieving mental decolonisation A range of languages are explored both imported ex colonial and indigenous African and case studies from different spheres of public discourse are investigated from universities to legal settings Demonstrating that multilingualism is a resource for rather than barrier to successful transformation this book brings the intellectualisation and institutionalisation of African languages to the forefront of development discourse and provides an insightful snap shot of how current academic research public discourse political activism and social community engagement have contributed to societal transformation in South Africa Catalogue of Bantu, Khoisan and Malagasy in the Strange Collection of Africana Johannesburg (South Africa).
