

FE Civil Practice Exam

The FE Civil Practice Exam consists of 70 questions and is a timed exam. **You will have 2.5 hours to complete the practice exam and submit it for scoring.** You may stop and store the practice exam at any time by closing your browser. When you return to the stored exam, you will be given the exact amount of time remaining when you last stopped. Once you submit your exam for scoring, you may review the solutions any time during your scheduled delivery window.

Instructions

- The clock in the upper right corner of the test screen will count down the time allowed for this practice exam. When 5 minutes remain, the color of the timer will change to yellow as a warning that time is about to expire.
- The right corner also displays the question number and a **Flag for Review** button. Click **Flag for Review** to mark an item as one you wish to review again later. Click the flag again to clear it.
- Some questions may be too large to fit on the screen without scrolling. For these questions, use the scroll bar along the bottom or side of the screen to show the rest of the question.
- To close the exam but still have access before your time and delivery window expires, simply close your browser. If you click **End Review**, you will permanently end access to all or parts of the exam. Read the pop-up warning boxes carefully to ensure you exit the exam correctly.

Click the **Next** button to begin the practice exam.
