pleased to bring in the book in Export Import Management We hope it will be useful for Management Students and Professionals Banking and Financial Markets in India, 1947 to 2007 Niti Bhasin,2007 The present book explains and examines at length the changes which have swapt India s sector over the last 60 years since Independence with focus on post 1991 period The book is organised into a9 parts each part containing chapters information relevant to the theme of that part

**Foreign Investment in India** Niti Bhasin,2008 ABOUT THE BOOK Foreign investment plays an important role in the long term economic development of a country by augmenting availability of capital enhancing competitiveness of the domestic economy through transfer of technology strengthening infrastructure raising productivity generating new employment opportunities and boosting exports Foreign investment therefore is a strategic instrument of development policy In the wake of economic liberalisation policy initiated in 1991 the Government of India has taken several measures to encourage foreign investment both direct and portfolio in almost all sectors of the economy However the emphasis has been on foreign direct investment FDI inflows in the development of infrastructure technological upgradation of industry and setting up Special Economic Zones SEZs India has consistently been classified as one of the most attractive investment destinations by reputed international rating organisations With a vast reservoir of skilled and cost effective manpower India offers immense opportunities for business process outsourcing BPO knowledge process outsourcing KPO and engineering process outsourcing EPO In spite of the fact that India is strategically located with access to a vast domestic and South Asian market its share in world s total flow of direct portfolio investment to developing countries is dismally low China with GDP

size 2 2 times of India is able to attract 20 times the FDI inflow to India Similarly Singapore Indonesia Philippines and Thailand also attract greater amounts of foreign investment than India The current world scenario calls for further liberalisation of norms for foreign investment in India The present book deals with almost all aspects of foreign investment in India It particularly focuses on current policies and procedures for foreign direct investment as well as foreign portfolio investment Foreign investment policies of other countries have also been highlighted to make suitable comparisons with India s policies in order to underscore the measures that are needed to attract higher levels of foreign capital and technology

**Report on Currency and Finance** Reserve Bank of India,2005      **Economics of Exchange Rate Management** Devi Singh,1986 Evaluation of the exchange rate policy of India since 1975      **Services Sector in India** Arumugam Vijayakumar,2008 ABOUT THE BOOK Since the early 1990s the growth process in India has been marked by a remarkable performance of services sector The experience of developed countries suggests that growth of services sector followed the growth of industrial sector However India s experience in this regard is somewhat different The sectoral shift in favour of services sector over the last two decades has taken place in the face of an almost stagnant share of industry and a reduced share of agriculture in GDP In fact it was the growth performance of the services sector during the 1990s which sustained the overall growth of the Indian economy particularly in times of adverse agricultural shocks and industrial slowdown While software exports are a well known success story India is now an important venue for many tasks in services such as financial accounting call centres processing insurance claims and medical transcription The future potential of growth in these areas appears to be considerable This book explains recent policy measures by the Government of India to make India s services sector internationally competitive The book focuses on the following services financial services IT and IT enabled services retail trading services healthcare services insurance services educational services transport and communication services and tourism It also includes a chapter on taxation of services in India      **Annual Report** Reserve Bank of India,2004

**Economic Survey of India, 1947-48 to 2008-09** Chandra Shekhar Prasad,2008 This book provides a comprehensive description and analysis of developments in various sectors of the Indian economy since independence It particularly focuses on the following sectors agriculture industry fiscal policy money and prices banking and finance and foreign trade Year wise 1947 48 to 2008 09 review of developments in these sectors of the economy is another key feature of the book It also provides time series data on Indian economy The book is designed to interest a cross section of readers viz teachers and students of economics commerce law public administration business management chartered accountancy and company secretaryship It will also serve the needs of legislatures business executives entrepreneurs and investors and others interested in the developments in the Indian economy
