Folklore And British Cultural Studies:

History of British Folklore Richard Mercer Dorson, 1999 First published in 1999 Routledge is an imprint of Taylor Francis an informa company *The British Folklorists* Richard Mercer Dorson, 1968 **Folklore: An Encyclopedia of Beliefs, Customs, Tales, Music, and Art**, Charlie T. McCormick Ph.D., Kim Kennedy White, 2010-12-13 Written by an international team of acclaimed folklorists this reference text provides a cross cultural survey of the major types and methods of inquiry in folklore Did you know that the tale of Cinderella is over 1 000 years old and similar versions of this singular story exist in hundreds of cultures around the globe Have you heard of deathlore a subgenre of folklore involving tombstones coffins cemeteries and roadside memorial shrines Did you realize that UFO sightings and cyber cultures constitute modern folklore The broad field of folklore studies developed over the past two centuries provides significant insights into many aspects of human culture While the term folklore conjures images of ancient practices and beliefs or folk heroes and traditional stories it also applies to today s ever changing cultural landscape Even certain aspects of modern Internet based popular culture and contemporary rites of passage represent folklore This encyclopedia covers all the major genres of both ancient and contemporary folklore This second edition adds more than 100 entries that examine the folklore practices of major ethnic groups folk heroes creatures of myth and legend and emerging areas of interest in folklore studies

Encyclopedia of Asian American Folklore and Folklife Jonathan H. X. Lee, Kathleen Nadeau, 2010-12-21 This comprehensive compilation of entries documents the origins transmissions and transformations of Asian American folklore and folklife Equally instructive and intriguing the Encyclopedia of Asian American Folklore and Folklife provides an illuminating overview of Asian American folklore as a way of life Surveying the histories peoples and cultures of numerous Asian American ethnic and cultural groups the work covers everything from ancient Asian folklore folktales and folk practices that have been transmitted and transformed in America to new expressions of Asian American folklore and folktales unique to the Asian American historical and contemporary experiences The encyclopedia s three comprehensive volumes cover an extraordinarily wide range of Asian American cultural and ethnic groups as well as mixed race and mixed heritage Asian Americans Each group section is introduced by a historical overview essay followed by short entries on topics such as ghosts and spirits clothes and jewelry arts and crafts home decorations family and community religious practices rituals holidays music foodways literature traditional healing and medicine and much much more Topics and theories are examined from crosscultural and interdisciplinary perspectives to add to the value of the work **Race and Cultural Practice in Popular Culture** Domino Renee Perez, Rachel Valentina Gonzalez, 2019 This book is an innovative work that takes a fresh approach to the concept of race as a social factor made concrete in popular forms such as film television and music The essays push past the reaffirmation of static conceptions of identity authenticity or conventional interpretations of stereotypes and bridge the intertextual gap between theories of community enactment and cultural representation [History of British Folklore](#)

Richard M. Dorson, 2016-11-22 This book discusses the origin and dispersion of the Aryans the mythopoeic world view of early man the animistic philosophy of savages and the survivals of primitive belief among peasants which enlivened the folklore controversies *The Folklore Historian*, 1998 *Difficult Folk?* David Mills, 2008-05-01 How should we tell the histories of academic disciplines All too often the political and institutional dimensions of knowledge production are lost beneath the intellectual debates This book redresses the balance Written in a narrative style and drawing on archival sources and oral histories it depicts the complex pattern of personal and administrative relationships that shape scholarly worlds Focusing on the field of social anthropology in twentieth century Britain this book describes individual departmental and institutional rivalries over funding and influence It examines the efforts of scholars such as Bronislaw Malinowski Edward Evans Pritchard and Max Gluckman to further their own visions for social anthropology Did the future lie with the humanities or the social sciences with addressing social problems or developing scholarly autonomy This new history situates the discipline's rise within the post war expansion of British universities and the challenges created by the end of Empire
