Theologizing in the Radical Middle Ryun H. Chang, 2018-09-17 This book doesn't endorse any systematic theology rather it's about how we theologize Why do two equally trained theologians studying the same book and loving the same Lord arrive at such different conclusions This theological disagreement at times becoming personal spills over from the academia to seminaries and churches And if history is any indicator this always weakens the unity of the church Who needs unity when correct doctrines are at stake right But is the defense of all doctrines worth foregoing the unity of the church despite Jesus prayer that they may be one even as we are one At bottom our theological contentiousness stems from not recognizing that the way biblical revelation is framed is not designed to be handled the way seminaries typically do Regardless we strive for the rightness of our tidy theology even disowning those who disagree while doing so The disavowal of continuationists by the Strange Fire crowd is the most recent instance in a long line of placing doctrinal purity over the unity of the body This book uncovers how Scripture is really structured and how therefore we need to theologize differently so that we may grow spiritually in Word and Spirit

Holy Spirit Eulalie Hendricks, 2019-02-20 This book is two thousand years overdue in its telling Since the fall of man in the Garden of Eden God declared a state of war between Satan and the woman and her offspring therefore Satan hates women with every fiber of his being Gen 3 14 15 MSG Since time immemorial Satan has worked relentlessly to try and steal kill and destroy women trying to steal our knowledge of who we are in Christ Jesus trying to beat us down and kill us with abuse and trying to steal from us our dignity our value our worth our identity and ultimately our joy 1 Pet 5 8 For too long Satan has kept us deceived demeaned and defeated but Jeremiah declares Call to Me and I will answer you and show you great and mighty things which you do not know Jer 33 3 Through Jesus's glorious gospel of grace God is lifting the veil of darkness that has kept Christians blinded to the truth of who women are in Christ and all that is ours as heirs to His throne of grace A grace revolution is sweeping our planet and part of that is the unveiling of women's identity in the Godhead and all that we are in Christ Jesus Two thousand years ago at the cross of Calvary God returned to man His glory and this book unveils all that that means to us as daughters of the Most High and it reveals the fullness of who we are as His comforters helpers and beautiful shekinahs

the dialectic of enlightenment johnathan bi - Dec 28 2021

web dec 24 2019 summary the dialectic of enlightenment is worth reading because and not despite the seeming absurdity of its central claim the history of humanity is one of regress rather than progress furthermore the culprit for this regress is the pride of modernity our increased ability to control and manipulate the external world
