Keys To Better Preaching:

Keys to Better Preaching John Garlock, 2000 Mr Garlock brings a balanced approach to the art of preaching focusing on principles that Jesus Himself used Few homiletics texts deal with the nitty gritty details of delivery explained in this unique how to preacher s handbook

Keys to Better Preaching John Garlock, 1992 **Pastoral Visitation** Tyler C. Arnold, 2023-01-25 Christ comes to and through his people Many consider pastoral visitation antiquated and impractical People seem busier than ever and technology appears to trivialize personal contact As a result personal visits are often reserved only for the gravest of situations Tyler C Arnold argues that pastoral visitation is essential to the pastoral role In Scripture God visits his people to show his personal interest and concern This is seen most clearly in the incarnation Christ s ministry is one of presence But Jesus is not only an example of visitation ministry he is the embodiment of it And in visitation pastors and laypeople continue Jesus s ministry by bringing Christ to the individual in their very place of need Established in strong theological foundations and sensitive to contemporary concerns Pastoral Visitation exhorts pastors to return to this classic method of individual soul care
