Netflix Instagram Deal:

Irresistible Adam Alter, 2017 An investigation into behavioral addiction the dark flipside of today's unavoidable digital technologies and how we can turn the tide to regain control

The Power of One Frances Haugen, 2023-06-13 The inside story of one woman's quest to bring transparency and accountability to Big Tech by the Facebook whistleblower who is determined to help us all retake control of our lives In 2021 when news outlets feasted on the Facebook Files Frances Haugen went public as the former employee who blew the whistle on the company by copying tens of thousands of pages of documents She testified to Congress and spoke to the media She was hailed at President Biden's first State of the Union Address She made sure everyone understood exactly what the documents revealed Facebook knew it had accidentally changed its algorithm to reward extremism and refused to fix it it knew that its customers were using the platform to foment violence to spread falsehoods to diminish the self-esteem of young women and more But how was it that Haugen was the only employee at the company who dared to step forward The answer to that question is an inspiring tale of one young woman's life and the choices she made From an isolated childhood in Iowa to an unaccredited college to one among the few women at Google in its heyday Frances Haugen learned how to focus on what mattered and to ignore her critics To harness the strength of standing in the truth *The Power of One* is equally inspiring the story of a woman who went against the grain again and again and changed the world and horrifying as the culture and practices of Facebook are brought into the bright light of day for the first time

LGBTQ Digital Cultures Paromita Pain, 2022-03-15 Emphasizing an intersectional and transnational approach this collection examines how social media and digital technologies have impacted the sphere of LGBTQ activism advocacy education empowerment identity protest and self-expression This edited collection adopts a critical and cultural studies perspective to examine queer cyberspace and presence Through the lens of representation and identity politics it explores topics such as race disability and colonialism alongside sexuality and gender The collection examines how digital technologies have made queer cultural production more expansive and how such technological affordances and platforms have enabled queer cultural practices to be more transformational Bringing together contributors and case studies from different countries the contributions grapple with the tensions that arise when visibility hiddenness renditions of the self and collective contractions of identity must be negotiated in a variety of global contexts and explores this influence on contemporary political identities This book provides an essential introduction to LGBTQ digital cultures for students researchers and scholars of media communication and cultural studies It will also be of interest to activists wanting to learn more about the transformative potential of digital media and technology in LGBTQ advocacy and empowerment around the globe

The Vision Driven Leader Michael Hyatt, 2020-03-31 Having a clear compelling vision and getting buy-in from your team is essential to effective leadership If you don't know where you're going how on earth will you get there But how do you craft that vision How do you get others on board And how do you put that vision into practice at every level of your

organization In *The Vision Driven Leader* New York Times bestselling author Michael Hyatt offers six tools for crafting an irresistible vision for your business rallying your team around the vision and distilling it into actionable plans that drive results Based on Michael's 40 years of experience as an entrepreneur and executive backed by insights from organizational science and psychology and illustrated by case studies and stories from multiple industries *The Vision Driven Leader* takes you step by step from why to what and then how Your business will never be the same *Irresistível* Adam Alter, 2018-04-16

Um estudo definitivo sobre o vício comportamental um problema a que todos nós estamos sujeitos em razão das irresistíveis tecnologias digitais do mundo de hoje Somos obcecados com nossos e-mails e redes sociais e passamos horas usando nossos smartphones Neste livro revolucionário o professor de psicologia e marketing Adam Alter analisa o crescimento do vício comportamental e explica por que a maioria dos produtos de hoje é irresistível Apesar de essas tecnologias milagrosas encurtarem as distâncias que nos separam seu magnetismo extraordinário é às vezes prejudicial não mero acaso As empresas que criam tais produtos se esforçam para torná-los quase impossíveis de serem deixados de lado Em *Irresistível* por meio de histórias e exemplos com os quais os leitores facilmente se identificam Alter analisa o mecanismo dos vícios comportamentais para explicar como fazer bom uso das tecnologias para melhorar a maneira como nos comunicamos uns com os outros gastamos e economizamos dinheiro ou definimos os limites entre trabalho e lazer e como mitigar seus efeitos mais nocivos em termos de bem-estar saúde e felicidade Leitura essencial para quem já se perguntou por que algumas experiências são tão viciantes e como retomar o controle do seu tempo finanças e relacionamento Charles Duhigg autor de *O poder do hábito* *The Impact of UNESCO on States' Cultural Policies* Alexandre Couture Gagnon, 2024-08-01

The Impact of UNESCO on States' Cultural Policies focuses on the impact of the 2005 Convention on Diversity of Cultural Expressions on the cultural policies of eight states and substates examining how they have integrated it into their own cultural policy Cultural diversity presents a challenge for all governments As migration increases and technology makes access to worldwide cultural products easier governments seek to maintain a vibrant culture within their states or substates so that their populations can keep a strong sense of identity Cultural policies become key to balance cultural diversity and national identity or to promote them in parallel The book addresses three main themes how governments deal with cultural diversity especially in their cultural policies what the impact of an international convention on individual states' policies is and how different states' status and size on the international scene affects their implementation of an international convention Providing a systematic comparative analysis this book will be of great interest to students and scholars of public policy cultural policy and international organizations It will also be useful to policymakers involved in cultural policy *Smart* Frederic Martel, 2018-07-05

Digitization is accelerating globalization tenfold Social networks have gone mobile telephone television and towns have gone smart How did China manage to create clones of Google Facebook and YouTube and build its own censored version of the Internet How do Arab countries use social networks for their revolutions Why is there no minister for communications in the

US and why does no one regulate the Internet there From Silicon Valley to Tokyo from South Africa to southern India and all the way to Cuba and Gaza this unprecedented investigation in the field covers the whole battle of the Internet and its future Drawing on hundreds of interviews in about fifty countries Frederic Martel examines the different Internets on five continents In so doing he reveals that we are moving not only into a connected globalized world but also a territorialized one Smart shows that the Internet has never been truly global and that it will become increasingly local **Just You** Jane Lark,2014-05-08 The morning after the New Year s Eve before **How They Get You** Chris Kohler,2025-11-11 In this sharp funny and empowering guide journalist Chris Kohler takes you through the rigged carnival of modern life where the games are broken the prizes are fake and somehow you re paying 28 to park near the entrance From loyalty schemes to late fees gift cards to sneaky supermarkets How They Get You pulls back the curtain on how the systems work and how to outsmart them Written for anyone who has ever looked at their bank account and thought I swear I didn t buy anything this is the ultimate handbook to understanding how the game is played and how you don t have to lose every single time You ll laugh you ll groan and you ll probably cancel a few subscriptions But most of all you ll walk away with the clarity and confidence to make better choices about how to spend and save your hard earned money *Yellowface* R. F. Kuang,2023-05-16 INSTANT NEW YORK TIMES BESTSELLER A REESE S BOOK CLUB PICK EXCERPT TO NEW NOVEL KATABASIS Hard to put down harder to forget Stephen King White lies Dark humor Deadly consequences Bestselling sensation Juniper Song is not who she says she is she didn t write the book she claims she wrote and she is most certainly not Asian American in this chilling and hilariously cutting psychological thriller from R F Kuang the 1 New York Times bestselling author of Babel Authors June Hayward and Athena Liu were supposed to be twin rising stars in the world of literary fiction But Athena s a literary darling June Hayward is literally nobody Who wants stories about basic white girls June thinks So when June witnesses Athena s death in a freak accident she acts on impulse she steals Athena s just finished masterpiece an experimental novel about the unsung contributions of Chinese laborers during World War I So what if June edits Athena s novel and sends it to her agent as her own work So what if she lets her new publisher rebrand her as Juniper Song complete with an ambiguously ethnic author photo Doesn t this piece of history deserve to be told whoever the teller That s what June claims and the New York Times bestseller list seems to agree But June can t get away from Athena s shadow and emerging evidence threatens to bring June s stolen success down around her As June races to protect her secret she discovers exactly how far she will go to keep what she thinks she deserves With its totally immersive first person voice from a masterfully crafted unreliable narrator *Yellowface* grapples with questions of diversity racism and cultural appropriation as well as the terrifying alienation of social media R F Kuang s novel is timely razor sharp and eminently readable *Introduction to Information Systems* R.
