Secrets of an Untitled Mind Joshua Murphy Dobbs,2020-05-29 In the middle of the quarantine for COVID 19 after reading one memoir after another Joshua Murphy Dobbs found the inspiration to write his own memoir Like many others with nothing but time on his hands while out of work his story unfolded in rapid succession in just eight days His psychiatrist asked him if he was manic after he shared the news that he had just written an entire book since his last Telehealth appointment with her The book travels through his childhood of finding out he was biracial to a diagnosis of bipolar 1 while in a psych ward in the Army His struggles to find the right mix of medications would land him in jail more than once The story follows his life giving the reader hope Even though the story follows his life as closely as it can being a bipolar writer weaves the reader in and out of his life on a roller coaster In the end his tattoos remind him of who he will become

Hoyle,2024-09-03 A transcontinental romantic memoir in the vein of A Year in Provence and Eat Pray Love Whether you are contemplating your second act a fellow Francophile introvert or gourmande whether you are a romantic a clown or just a lover of life in all its messy wonder I dare you to read this book and not be entranced Quite simply it is a delight Megan Nicol Reed What do you say when a man you've dated a handful of times asks you to go live with him in a mill by a river in France The obvious answer is Are you out of your mind Maria Hoyle's was Okay At the age of 63 she left her life in Auckland her two daughters her dog her friends a beautiful rental by a beach and everything she'd loved for more than two decades to settle in a tiny French village with a partner she barely knew What could possibly go wrong Maria arrived in the remote hamlet with trepidation but also a little bravado after all with a degree in French she was confident about communicating with the locals And yes that part was mostly fine apart from some amusing faux pas The true challenges were learning to communicate with her new partner Alistair they were smitten with each other but also sitting on a pile of baggage and emotional wounds and adapting to life in rural France when her idea of a great day out was shopping lunch in a bustling caf and a movie Does Maria have it in her to persevere To make good friends and truly feel at home Crucially is she making another terrible romantic mistake or is she finally growing and learning what it means to move beyond the infatuation stage and make a relationship work Maria's tale is about grabbing life with both hands whatever your age what it means to belong the joys and frustrations of French living and why you should always look closely at a map before emigrating Ultimately though it is a story about the greatest adventure of all Love **Preservation** ,2000 *The Christian Union* ,1886 **Glamour** ,2004
