Read the passage carefully and answer the questions that follow.

'Happy birthday!' Jenny's mother exclaimed as she woke Jenny up on the morning of her eleventh birthday. 'I have the most wonderful surprise for you!' Jenny blinked sleepily, not quite sure what was going on. She saw her mother's giant grin and smiling eyes and knew that she **had something very special planned.**

'I want you to get up, take a bath and put on your nicest clothes,' Jenny's mother said. 'When you are ready, come out to the living room to see your surprise!' Jenny hopped out of bed and raced to the bathroom. Her mind was filled with the possible gifts that her mother might have bought for her. When they had been shopping the previous day, Jenny had mentioned to her mother that she really liked the white rollerblades with pink wheels that they had seen at the sporting goods store. However, Jenny already had a pair of rollerblades that still fitted her. No, she decided, it cannot be the rollerblades.

Jenny was trying to think of what her surprise was as she carefully combed her hair. She slipped into her shoes and took a final look in the mirror before she headed down to the living room. Jenny skipped down the stairs into the living room and stopped with a gasp when she saw her surprise sitting on the couch. 'Grandpa! Grandpa!' she cried, rushing over to give her anxiously waiting grandparents' enormous hugs. As they hugged her back tightly, Jenny thought that this visit was the best birthday surprise she had ever received.

Q 1. How old was Jenny?
